At our Board meeting the Thursday after the canceled Chapter meeting, we realized we don't have an official cancellation policy or how to get the message out to members. The Board decided to post one in the Chapter Newsletter along with the message to check your email when there is inclement weather before you depart to go to a meeting. For those who do not receive an electronic copy of the

newsletter, you should plan to call another member or prearrange to have someone who does get email to call you.

With that said some of us travel long distances (some over 50 miles) to get to the meetings and, as in flying, we all have our minimums and should also have them as well when driving. So if you think it is not safe to travel, please stay home, there will be the next meeting to catch up with other members!

Mark Pankratz is getting together the plans for the annual banquet at the NACC. Look for that information in this newsletter. Please sign up as soon as possible so we can inform the caterer.

February Program

February's presenter is none other than our own Dan Morris. Dan works with various aircraft systems and has vast knowledge of avionics. This month he will give us an overview of Traffic Collision Avoidance Systems. This is a great chance to learn about their features, capabilities and limitations.

served. Bring your own alcohol.

We need to know how many people will be coming for the food order with our caterer. The cost is \$50 per person. Please pay Ernie O'Rourke, preferably a check made out to Chapter 524.

We used the NACC last year, and found it to be an ideal location for this event. Hope to see you there!"

EAA Chapter 524 Weather Policy 1/20/2018

During periods of inclement weather or other travel-related issues, one of the Chapter Board members will issue a notice of meeting cancellation. This will be sent as early as possible to all Chapter members who receive the newsletter electronically. The notice will also be posted on [our website](#) and [Facebook](#) page. If travel is dangerous where you live, you should stay home. As safety is the number one priority in our flying, it is also for our Chapter activities.

January Board Meeting Minutes

11 January 2018

Meeting brought to order at 7:01 p.m. by Mark Gosselin

Present were Mark Gosselin, Ernie O’Roark, Jack Fromm, Rex Bullinger, Doug Kelly, Erick Webb

Chapter Banquet: March 3 at NACC; same menu/setup (BYOB). \$50/person. Only financial issue is that Canapés will not send just 1 hostess, they’ll send 2 because it was too much work for 1 person. Additional cost is around \$300. Last year’s banquet spend was \$1,750 was taken in, \$1,903 was spent (includes tip). \$1,831 was quote for this year (excluding tip). Chapter will pay for Mike Woods and guest and Richard McSpadden and guest. The board agreed to move forward with Canapés.

Chapter insurance was paid on time \$545.

Tony Bingelis nomination; a rough draft for cover letter is complete. Mark will send to Doug to make further edits/additions and to any other board members who’d like to view/edit. Wants to get package out in early February.

Cancellations for Chapter meetings. Suggest that we follow FCPS school closings. We will add a small blurb in next newsletter to instruct members to check email and provide numbers to call for those who don’t have email. Mark will provide instructions to Jack to put in the newsletter.

Rex still waiting on response from Mark Forss regarding workshops.

Meeting adjourned at 7:33 p.m.

Submitted,

Erick Webb, Secretary
