President's Message

Greetings EAA Chapter 524 Members and Friends,

This month brings us to the annual banquet that will take place March 12th at AOPA's NACC. Thank you to Mark Pankratz who has done a wonderful job getting everything together for this event. I am looking forward to spending the evening with our Chapter members at the NACC!

In this issue of the newsletter you will find information for purchasing Chapter T-shirts. The shirts will cost \$20 each. For those of us at the last meeting we got to see and touch the samples of shirts. They were a high quality T-shirt — one that we can wear with pride!

If you want to have a nice name tag to put on your new T-shirt and you haven't paid your dues for 2016 yet, you have about a week left. We will be sending the list of names to the manufacturer before the end of the month so send in your registration form to Ernie before then.

We have two big events coming up so far this year, the Boy Scout Camporee workshop April 16 & 17, and the Ford Tri-Motor tour stop on June 13, 14, & 15. If you would like to help with either of these events, please see me at the next meeting.

Just a reminder for those of you who will be helping with our youth programs in the future, please take the Youth Protection Training and Background Check online with EAA National at www.eaa.org/youthprotection. We need your help. Thanks!

Wishing you clear skies,

Mark Gosselin

New Chapter Shirts!

Bob Miller and his daughter have worked with a local company to design a Chapter T-shirt with our Chapter logo on both the front pocket and a large image on the back so everyone will recognize who we are and how proud we are to be part of our EAA Chapter! Thank you, Bob!

If you have not already signed up for a shirt, the cost is \$20 each. If you would like a Chapter shirt(s), please see me at the banquet or email me at EAA524.President@gmail.com with the size (S, M, L, XL, 2XL) and quantity. We have over 20 members with orders in already and I would like to place the order in March shortly after the banquet .

Thank you,
Mark Gosselin

Chapter Banquet

The following is an update from Mark Pankratz, banquet coordinator. Some folks had questions about picking an entrée choice in advance but Mark has clarified that it is a buffet. [Ed.]

March 12th we will have this year's banquet at the AOPA National Aviation Community Center, located at 296 Bucheimer Rd, Frederick. It is the large hangar just south of the Advanced Helicopter facility. It is a nice environment with aircraft around us. Cost is \$50 per person, and we would like your reservation confirmed by March 4th to let the caterers know how many there will be. Please forward your payment to our Treasurer, Ernie O'Roark at 809 London Ct, Frederick, MD 21701 no later than March 4th.

Doors open at 6 p.m., with dinner at 6:30.

The buffet will include hors d'oeuvres to get started, then

chicken piccata, plank salmon and Tuscan Pappardelle with vegetables, rice pilaf and bread knots. There will also be dessert. Bring your own alcohol if you wish.

Our speaker is Dr. Chris Lang, a former flight surgeon and current emergency medical physician with George Washington University hospital, who will speak on the effects of medications on flying.

For those who have the time, we could use a hand at the end for a quick clean-up.

Hope to see you there!

Mark

February Meeting Recap

February's meeting was a little more eventful than your normal mid-winter Chapter get together. It was well attended, considering the weather, and we signed up two new members. Welcome, Laurie Boyer and Robert Hanni and family.

We got to meet Larry Jarkey, President of our sister organization, the Frederick IMC club. Larry gave a short talk about his group, their mission and what their meetings are like. They meet on the third Tuesdays of each month at the NACC and he invited our members to come and see

Meeting Recap (contd.)

what their “hangar flying” sessions are like. Each month they try to use real world scenarios to share experiences and build proficiency. Their focus is on instrument flying but you certainly don't have to be instrument-rated to attend and benefit from the collective wisdom of the group.

Kelby Ferwerda gave the presentation on the ForeFlight iPad/Phone app. He obviously knew his subject very well and gave a very comprehensive overview of the capabilities of this amazing piece of software. It became obvious why it has completely revolutionized the art of preflight and inflight planning.

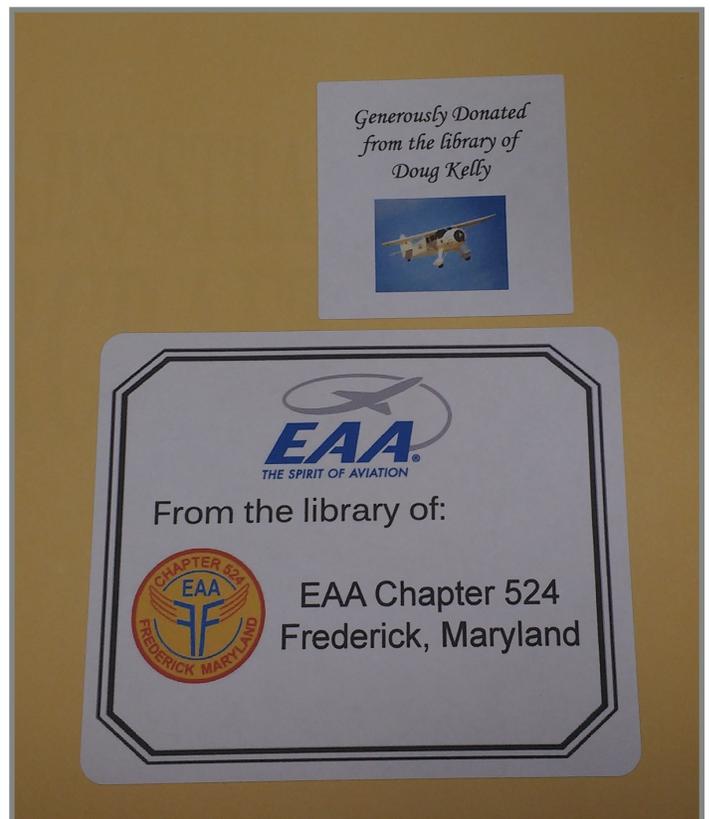

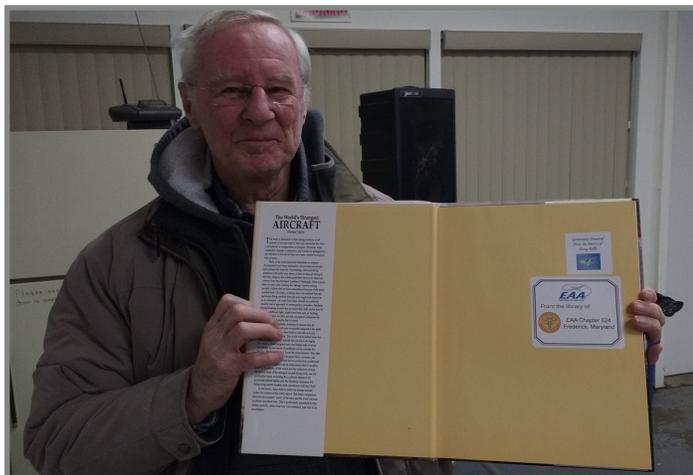

Ernie O'Roark and Jerry Blake announced that the renovated Chapter library is now open for lending. A few months ago, they undertook a project to inventory and catalog the print and video items we had on the shelves in the back of the hangar as well as a very significant new addition when Doug Kelly generously donated the bulk of his personal aviation collection. In addition to reorganizing things, they added professional looking labels designed by Ernie to each item, marking them as belonging to our new library. There is now a sign-up sheet you can use to check out the books or videos. And if you have any books of your own gathering dust on shelves at home that you think would make a worthwhile addition to

our library, those donations are welcome. See Ernie or Jerry if you would like to donate.

There will be no regular membership meeting in March but we hope to see everyone at the banquet on the 12th.

Larry Jarkey, Frederick IMC Chapter President.

Membership Meeting Minutes

04 February 2016

Meeting brought to order at 7:08 p.m. by Mark Gosselin

Larry Jarkey, Chapter leader of the IMC Club visited to let us know about their meetings. They meet the 3rd Tuesday of each month at 7 p.m. at the NACC.

Treasurer's report accepted as read.

January Income \$855.00

January Expense \$994.00

January Balance \$10,299.54

Secretary's report accepted as read.

The Chapter banquet will be March 12 at 6 p.m. The Chapter needs 26 paid attendees to break even (currently the count is at 12).

Boy Scout Camporee workshops will be held at the hangar with about 15 scouts per group. There will be some aircraft on static display and the rib kits will be the workshop activity. Saturday, April 16, volunteers will be needed from 8 a.m. - 4 p.m. Sunday, April 17, volunteers will be needed from 8 a.m. - 2 p.m. Breakfast will be available for volunteers who arrive before 8, and lunch will be available to volunteers. Please bring heavy gloves, ear protection, and a ball-peen hammer if available. Anyone who will be helping needs to complete the online program in order to work with youth.

Ford Tri-motor will be in town June 13, 14, and 15 (Monday – Wednesday).

Bob Miller brought sample Chapter T-shirts. Shirts can be ordered for \$20 and need to be paid for in advance.

Ernie mentioned that the owner of the Cub he's looking at is searching for the log books.

Jerry mentioned the Chapter library is now open, Doug Kelly was recognized for having donated a large portion of the library.

No 50/50 this month.

Kelby Ferwerda presented his program entitled "Introduction to ForeFlight"

Meeting adjourned at 8:39 p.m.

Board Meeting Minutes

11 February 2016

Meeting brought to order at 7:02 p.m. by Mark Gosselin.

Present were Mark Gosselin, Mark Pankratz, Ernie O'Roark, Doug Kelly and Jack Fromm.

Mark G. acknowledged Ernie for distributing copies of the current Chapter roster to the Board, including several new members who had signed up at the most recent membership meetings.

Next item on the agenda was the upcoming banquet. It looks like we have at least 29 people signed up so far, which exceeds our break-even number of 25 minimum. Mark P. said he would post a flyer at the hangar to inform people about the banquet and that non-members and latecomers are welcome – but that they should let Ernie know as soon as possible and that they can pay at the door. Mark reiterated that he's hoping we have a few people come early (around 5:15) to help set up and also volunteers to stay afterward to help straighten up. If we aren't able to do that, there will be a \$250 cleanup charge. The rest of the details about the menu, etc. will be posted in the newsletter.

The Boy Scout Camporee will be held April 16 and 17 and we will need volunteers to help kids with the rib-forming project station in the hangar. Mark G. said he got several volunteers to sign up at the February meeting but we could still use a few more, especially on Sunday. Those who can help are asked to bring ball-peen hammers if possible. Mark G. said Lin Caywood has offered to canvass some of her contacts who own certified aircraft to see if they are willing to offer flights but this might not be feasible because of the large number of scouts who will be participating. That is still to be decided. Mark P. volunteered to handle the insurance application.

Mark G. said preparations for the Tri-Motor visit are progressing. We have committee members already lined up for most duties. Mark still needs to speak with airport management as well as Steve Southworth at Landmark.

Mark G. and Ernie compared notes on how many people have signed up or paid for T-shirts already. We need to get at least 20 orders to get the \$20 price and we have about 13 so far. Mark G. said he approved an initial order of six shirts which we have already paid \$205 for. The Board approve ordering an additional 10 shirts to keep on hand for future sales and we decided to wait until after the banquet to place to order. That should give us enough time to allow those who weren't at the February meeting to decide if they'd like to sign up. While on the subject, Doug mentioned that we had offered door prizes or other giveaways at banquets in the past and he wondered if we would want to do that this year with T-shirts or other sponsored items. The vote was to postpone this until next year since it's probably too late to prepare for this year's banquet.

Ernie mentioned that while we can use the updated roster for the name tags for individual memberships, he was not sure how to handle the family membership names. Jack volunteered to create an on-line sign-up form both to make sure we have the names appear the way members want them as well as to poll the family members as to which family members they want tags for.

Meeting adjourned at 8:28 p.m.
