President's Message July 2023

EAA 533 Members,

Last week I attended EAA OSH with my family. It had to be the hottest and wettest one I can remember, but it was still a lot of fun. If you have never been or it's been a while, you should try to get there. There is so much to see and do.

This Sunday is our fly-in breakfast. Hope to see you all there. We can always use more help. We set up at 7 am.

Mike Depue will be leaving in September. Mike has done a lot for the Chapter - board member, newsletter, website. We need people to fill these positions.

Thank you,
Brian
