

Experimental  
Aircraft Association  
Chapter 533

## **President's Message June 2022**

EAA 533 Members,

July is here. This Sunday we will be hosting a fly-in breakfast (see pictures below). Please come out and help. The help has been very light.

I would like to thank Kevin for organizing programs for the meetings. This month Dr. Dick Wells will talk on Aero Medical Factors.

Also, Thursday nights are work sessions on the B 25 and the hover craft, so please come out and get involved.

Thank you,

Brian

# **EAA 533 Board of Directors Meeting June 1, 2022**

## **Attending:**

David Baker, Mike Depue, John Flanagan, Sharon Flanagan, Brian Jones, Dick Welles

## **Excused:**

Kevin Hooey, David Javarey, Mike Taveniku

## **Members:**

Kevin Polovick, Andy Diffenderfer

## **Guests:**

Linda Welles

Meeting called to order at 6:05PM by President Brian Jones. Dick Welles read the minutes of the board meeting held May 4, 2022. Upon motion of Mike Depue, second by David Baker, and vote, the minutes were approved as read.

## **Treasurer's Report:**

John Flanagan presented the Treasurer's Report:

Checking Account	\$21,085.93
CD	\$11,259.17
Total	\$32,345.10

John noted that \$600.00 was recently deposited in the checking account. That amount is not included in the above balance.

**New Membership/Hangar Badge Requests:**

No new applications this month. David Baker got his badge.

**140 Status:**

Sharon Kaiser reported that the plane is flying good.

**J-3 Cub Status:**

No change from previous month.

**Hovercraft/Project Night:**

Thrust duct in progress.

**Website:**

Our website needs to be updated. Sharon Flanagan will check the chapter's email.

**New Business:**

Brian Jones reported that EAA National has contacted EAA 533 about a Tri-Motor Event. The plane will come to ELM Thursday through Sunday September 1 – 4, Labor Day weekend. The Tri-Motor needs to be housed in an 80' x 80' hangar with a 60' door. EAA 533 will need to get sponsors. Following discussion, David Baker made a motion to go ahead with the Tri-Motor event, pending hangar access, Dick Welles seconded, and upon vote, motion carried.

Dick Welles will be moving his Cessna 150 back to Corning-Painted Post in a few weeks. He noted that he used Higher Graphics for decals in the plane.

Brian Jones has priced new boilers: \$3,500 without installation. Dick Welles commented that he had a Peerless boiler installed on his property.

Roof repair: David Baker did speak with Marty about a good sealer.

Hangar door cables: Brian Jones found a supplier for cable at 35 cents per foot. We will need around 180'. Andy Diffenderfer said we could use his engine hoist.

Sharon Flanagan reviewed the request from member Jim Allen for a visit to 2NY9 by members, to get their comments on the departure end of runway 10, adjacent to the shoreline of Cayuta Lake. She also asked about the email sent to the board by Tracy Sink, Wings of Eagles, regarding the J-4 that needs to be flown back from Perry Warsaw airport.

Another item is getting David Graham to be a Wednesday night speaker.

Kevin Polovick brought a box of Wes McKinney's new sweatshirts for a donation to EAA 533.

There being no further business, upon motion of Mike Depue, second by Dick Welles, and vote, the meeting was adjourned at 6:53 PM. Movie night follows the board meeting.

**Respectfully Submitted, Sharon Flanagan,  
Secretary**

# Member Information

**Like us on Facebook.** Search for EAA 533 on Facebook or go to:  
[www.facebook.com/EAA533](http://www.facebook.com/EAA533).

**Hangar Tenant Agreement and Semiannual Aircraft Review Checklist** as well as the hangar procedures document are available on the **website:** [www.eaa533.org](http://www.eaa533.org)

**Chapter email address to contact board:**  
[EAAChapter533@gmail.com](mailto:EAAChapter533@gmail.com)

Any EAA 533 members interested in bringing **projects into the hangar** should contact the hangar committee with space requirements and requests. (John Flanagan, Brian Jones and Kevin Hooey are the current committee).
