

Experimental Aircraft Association
Chapter 533

President's Message August 2019

Hello Everyone,

Summer is winding down much too quickly as we head into September. There's still good flying weather to come, so take advantage of it if you can. We have some new members in the flying club, and room for more. Flying clubs are the cheapest way to fly, so if you've been thinking about it, now is a great time to get more information.

We held the Fly-in/Car Show Breakfast and Lunch on August 11th, but unfortunately we didn't get the attendance that we hoped for. Regardless, thanks to John Flanagan for his efforts in organizing it, and to everyone who helped with it. We have one

more Pancake Breakfast this season on October 6th, so please try to attend.

As usual, our Spaghetti Dinner and Annual Meeting are coming up in a couple of months. More details will follow, but please keep it in mind and plan to attend.

Blue skies,

Jim

EAA 533 Board of Directors Meeting Minutes for August 7th, 2019

Attending: John Flanagan, David Javarey, Brian Jones, Sharon Kaiser, Andrea Muller-Hoff, Stephen Thomas, Dick Welles

Excused: Lou Kossler, Jim Suggs

Members: Dave Baker, Arianna Javarey

Meeting called to order at 7:06 PM by Vice-President Brian Jones. Dick Welles read the minutes of the July board meeting. Upon motion of Stephen Thomas, second by Andrea Muller-Hoff, and vote, the minutes were approved as read.

John Flanagan presented the Treasurer's Report:

Checking Account	\$22,726.89
CD	\$11,110.04
Total	\$33,836.93

Upon motion of David Javarey, second by Andrea Muller-Hoff, and vote, the Treasurer's Report was accepted as presented.

Cessna 140 - Status: plane is flying well. Brian Jones' recent flight included landing at Len Solomon's and Gary Louck's strips.

J-3 Cub - Status: David Javarey reported that the left brake needs servicing and the plane needs a new tailwheel soon. Aircraft Spruce lists price at \$150.00.

Hovercraft Update: The Briggs and Stratton lift engine was tested, and runs.

New Members, hangar access requests:

Sharon Kaiser reported that no new applications have been received. Dick Welles made an inquiry about getting a key to the west door of the hangar.

2019 Events:

The Car Show and Pancake Breakfast is Sunday, August 11th. Phat Daddy will sell barbeque 11AM till gone. Sharon Kaiser will email the membership that help will be needed.

Miscellaneous Items:

Wes sign for hangar - the sign is 30" x 80" and weighs around 100 lbs. David Javarey recommends making a frame mount, so no holes are drilled in the sign. Stephen Thomas offered to mill the mount. He and David will work it out.

Chapter Website - Andrea Muller-Hoff contacted Dave Ward, and she is using WordPress to create the content. She showed the board what she has so far. She would like members to provide her with information/pictures on their projects. When Jim Suggs was in Oshkosh, he did ask about support from National for chapter websites. National is in the process of moving to a new platform for the chapters to use.

Stephen Thomas has parts he is leaving at the hangar, including wheels, tires, and prop extensions.

There being no further business, upon motion of David Javarey, second by Stephen Thomas, and vote, the meeting was adjourned at 7:50PM.

Respectfully submitted, Sharon Kaiser, Secretary
