Secretary's Report

The June meeting was called to order by Young Eagles Coordinator GENE FRANK at approximately 7:30 pm with a good group in attendance.

The weather was beautiful for hot air ballooning! And in attendance was BOB TRIERWEILER with his balloon!

GENE FRANK gave us an update on the June 10th Young Eagles Day. Saturday was cold, windy, and threatening rain. But GENE did get 25 kids to come back Sunday for their ride. A really good time was had by all the kids. It was well organized and the rides went off perfectly. Participating pilots were GENE FRANK, AL KUPFERSCHMIDT, JON CAHOON, DALE RUPP, and SCOTT EMKOVIK

Thanks, Thanks Pilots!

Thanks! to ground control, JEFF STOKES, and STEVE OGBORN who did a perfect job. A special big thanks goes out to RAE KUPFERSCHMIDT who is a superb organizer and whose help made this a perfect day.

GENE reminded members we need to come up with a Committee for the election of new officers. Elections will be held in October. Interested in being a chapter officer? Contact DALE RUPP at 653-1054, or ROSEMARY FRANK at 451-8187

The meeting was then turned over to STEVE OGBORN and BOB TRIERWEILER. BOB gave us a demonstration of his hot air balloon. It was fun. It was entertaining. Thanks BOB! Anyone interested in hot air ballooning may call BOB at 546-1002. He has info on every aspect of hot air ballooning - sales, flying, and ground crews. He can help you get started!

The meeting was then adjourned.

Respectfully submitted,

Rosemary
