We discussed the Young Eagles Day - June 10th. Gene Frank is the Young Eagles Coordinator. Needed volunteers!! please give Gene a call at 451 8187.

We also have a pancake breakfast, static aircraft display and young Eagles Day planned for August 5th. Dick Wicklund is taking care of pre-publicity. Gene Frank is again the Young Eagles coordinator. Dale Rupp is coordinating the pancake breakfast. This "Lake Elmo Airport Day" will promote EAA Chapter 54 and Lake Elmo Airport. YOUR input is very important! PLEASE bring your ideas to the May meeting. And volunteer!!

We discussed the Metropolitan Airports Commission's plan close a few surrounding airports - Air Lake, Crystal, and our own Lake Elmo Airport. The plans are just in the talking stage so don't get excited. President Dale Rupp will keep us updated!

There are also plans to build a new tower at the St Paul Downtown Airport and one at Anoka.

The meeting was then turned over to our Program Chairman, Steve Osborn, who introduced two controllers from the FAA. Nate Morrison and Joe "JJ" Jerich.

Nate and Joe were very entertaining in there dicussions on air traffic, flight service, pilots, dopler weather, and "spacial Disorientation." Spacial disorientation was the most fun as those that wished to could try this out!! They left us with a wealth of information.

Thanks! Nate!

Thanks! Joe!
