### Minutes / Meeting of EAA Chapter 595 Rio Grande Valley

#### *January Announcements* Birthdays

#### Anniversaries

#### *February Announcements* Birthdays

#### Anniversaries

#### *Events*

On February 11th, 2023 we had our monthly meeting and the meeting was open for discussion after quorum was established at 10:01 AM.

Chapter President, Byron Engle opened the meeting by informing the members present that the Chapter was solvent.

President Byron Engle then presented the Service Award and News Editor Award to Cindy

Vasquez, who had served 2 years as our Chapter Secretary. Thank you Cindy, you will be missed and you did a great job!

Robert Carter told the membership that Saturday, March 18 there will be a FAASST meeting at McCreery Aviation and is open to the public.

President Engle then opened discussion for members to give input on the coming Young Eagles event. In our discussion we established that the event should take place at the Weslaco Mid-Valley Airport. The date for the event will take place Sunday, March 19<sup>th</sup>, with a weather date for Sunday March 26.

Driving directions are: From IH-2, take the 1015 exit. Go North on 1015 to the 1<sup>st</sup> stoplight, then turn left, then turn right on Vo-Tech Drive. When the road forks, take the left fork. Continue on Joe Stevens Ave. to the terminal building. The address is 1909. Turn into the parking area & walk into the Weslaco Airport Terminal Building.

The question was raised as to who wanted to volunteer to help in the event and how many pilots and planes would be needed.

After the event was discussed and put in place, there were still some details needed to be worked out and that would be coming forth later

and as of the writing of this report those details have been received and are being reported here.

The last thing that was discussed was the need to update emails of our chapter members so that everybody can received any current important information that our Chapter sends to our members.

With that after no more input was needed for the Fly-In, the meeting was adjourned and we went to a great lunch at the Longhorn Cattle Company in San Benito.

The next meeting will be at the Edinburg Airport (EBG) at 11:00 a.m. See you there!

Respectfully,

Arthur Chavarria, Secretary
