What's been going on:

Summer is in full swing and the events on the Upstate listing is looking good for August. Please watch for emails detailing the Young Eagles event we are hosting at Fulton County Airport on August 20th.

It was nice to see such a large turnout for Island Bob's Memorial in July. If you haven't seen the pictures yet, be sure to check out Rays post on the EAA602@groups.io from a few weeks ago.

Looking forward to see you all at the meeting!

## Vice-President ~ Darryl White

Well last month I reported I was planning on a knee replacement and ironically today (7/22) was the day of my surgery. It's typically done outpatient and I showed up at 11 at the bone and joint surgical center at 11 A.M. and was in the car headed home at 5 P.M. Care was excellent and I am comfortably at home now in my chair with compression stockings, chiller and compression device that promotes blood flow hooked up. I am saddened that I will be missing Oshkosh this year but looking forward to going in years to come. I have missed going since 2019 and can't wait to get back there.

The well attended breakfast event at island Bob's was a great tribute to his generosity and support of the aviation community in our area. He will be missed. When we left, I counted about 42 planes and Ray got some beautiful pictures as folks were taking off to fly home.

The picture above is from a flight over to Bob's in 2019. I fondly remember flying the hawk there on many occasions and even doing a camp overnight. I flew in and Kelly brought over our little pop-up camper and we had a campfire with thunderstorms passing north and south of us and we stayed dry and safe the whole night. I'm sure Bob is looking down from heaven and smiling and coaching how the rolls get buttered properly for the classic breakfast sandwich.

Hopefully I will be back at the august meeting. See you all soon!

Darryl
