We learned to use Skype Video for meetings. The benefits of online meetings include the ability of more members to join who couldn't previously attend in-person meetings, and more members present at meetings ensures that all of the work is not done by only a couple of individuals.

Acting President- William "Bill" Shaw  
Acting Recording Secretary- Leah Mosk

For Financial Details please contact Treasurer – Dave Wampole.

Excel keeps track of members' deposits. A newsletter would include the treasurer's report and the secretarial report. For 2020 we have 25 paid-up members.

Marcus Lecky will help with the EAA membership database. He filled out an application to add our chapter to the national database. It is purely a database of members. It will be divided and indexed by years, current, expired, paid, active, inactive members etc. Some members will have access to it such as Marcus, Bill and Dave.

Sun and Fun is cancelled for this year. Air Venture in Oshkosh is on hold. Reno is TBD. Young Eagles flights are on hold.

The next meeting will be 1 weeks from today, April 14,=then possibly every Tuesday at 6:30 until May. We will use Zoom instead of Skype. The meetings from now on will be available online to include those that cannot attend in person. We will include the scholarship recipients.
