

Experimental Aircraft Association
Chapter 631 - The Blue Hills Flyers
Rice Lake, WI

Minutes of a short Business Meeting at the start of 631
Christmas Party of December 4th, 2019:

1. Should Chapter 631 pursue a Ray Scholarship 50/50 match scholarship or take a chance of getting another 100% Ray Scholarship for a 2020 candidate? After discussion about our current finances and chances of getting a 100% Scholarship, it was decided to pursue the 50/50 match. Motion to pursue the 50/50 match by Gerry Winch. Seconded by Chuck Aldrian. (Motion approved, No opposed)

Note at time of minutes being typed up (January 2020) – 631 did apply for a 50/50 Ray Scholarship slot for 2020 which if used would require up to a \$5,000 expenditure by 631 to cover the “local” share. 631 also applied for a 100% Ray Foundation Scholarship for 2020 (if selected, this would not require funds from 631).

2. Should Chapter 631 purchase an EAA Tablecloth and Runner set with an EAA Logo for \$50 plus an additional Runner with a Young Eagles Logo for \$35 for use at Chapter 631 Events? Motion to purchase 1 Tablecloth & Runner set with an additional Runner by Chuck Aldrian, Seconded by Ed Knutson. (Motion approved, No opposed)

Respectfully submitted, Brad Volker – Chapter Secretary
