Beaver Valley EAA Chapter 68 founded 1958

January 25, 2022

Vol.6 Issue 61

There was no January regular meeting held. The meeting was to be associated with the installation of officers' dinner, and this gathering has been postponed until further notice.

The next regular meeting will be at the Air Heritage hangar on Tuesday, February 1, at 7:00 P.M. We hope you're all able to attend.

The Pres sez...

I hate to be the one to say no. I think of myself as an optimistic person where the glass is half full. Here we are two years to the day when the onset of this plague came down upon us and we are still canceling, postponing, and making adjustments. Remember when they told us that we would be over all of this in a couple of weeks? Unfortunately, We had to postpone our yearly installation dinner for a time in the foreseeable future when viral infections would not be on the top of the list of concerns. I think that an installation dinner is a good opportunity to say thank you for all the help and guidance of the previous year. We have decided little installation happening here when the officers are the same from one year to the next. Maybe we should call it recognition. I recognize that we have a capable, willing, and enthusiastic roster of officers and board members who help me guide this chapter.

Thank you, thank you. I think of our yearly dinner as a time to express what lies in store for us. We have made some significant movement in the direction of a Young Eagles program where we can give young persons their first taste of aviation. An Eagles program would give adults the same experience. Who says that kids should have all the fun? I look forward to having a presence on our website that is current, topical, and fun. It's hard to imagine right now with snow on the ground, but soon we will be firing up the Bar BQ grill with hangar visits. There is so much to look forward to. We all just have to hang in there, and soon, this shall pass. Just a reminder that it's time for dues renewal. Just think, \$20 and you get all the donuts you can eat for a year! And coffee too. Since Dewey and his wife have escaped the winter of Western Pennsylvania I will be collecting dues in his absence. We should all be so lucky. I hope to see everyone at Air Heritage on Tuesday February 1 at 700 Pm

Tony

The fact that Kansas and Arkansas are pronounced differently bothers me way more than it should.

Why does fridge have a "D" in it, but refrigerator doesn't?

Why are Zoey and Zoe pronounced the same but Joey and Joe aren't?

The word "queue" is just a Q followed by four silent letters

Why is a "w" called a "Double-U" when it is clearly a "Double-V"?
