Chapter News—Let's Get Going!

PRESIDENT'S MESSAGE

Well the 2021 annual meeting of Bruce McCombs EAA Chapter 72, which was actually held on January 22 of 2022, didn't really turn out as I expected! I am still President of Chapter 72. I can't believe that you really want me to continue on as President, but I will try my best to keep the chapter moving forward. So, the 2022 board remains the same, but with the addition of three new members at large, or Directors. Larry Durner, Greg Wolf and George Sciss out. We gladly welcome

them aboard.
WE ARE GO FOR
given us the green light

where a ticket can be pictures of the S19 and out and send it to all of away. We only have was hoping that this 2022 with our February 19th, however speaker had to cancel at this late discuss all the RedBird Simulator, the opportunities we will have place, we have retired David Roberts, who is an AME.

LAUNCH! The state has for our raffle. The website is <http://www.eaa72raffle.org>, purchased, along with the official rules. Check it your pilot friends who live 24,999 tickets left to sell! I would be a good kickoff for meeting coming up on the Radek Wyrzykowski, has date. He was going to opportunities between the WINGS program, and other with the simulator. In his USAF flight surgeon, Dr.

We have a number of brand new members who joined late last year, and have not been back to a membership meeting. I have name tags for many of them, plus some of the existing members who also have name tags waiting for them. For example: Dean Hendrickson, Nick Cirincione, John Wells, Steven Woods, Jerry Morgan, Joe Czabaraneic, Jose Del Peso Lopez, Jeff Brooks, Dan Hall, AJ Steward, Stefan Manning, Clay Pflieger, David Allen, Bill Brittenham, and Walt Reiss. I have not had the opportunity to meet some of the new members, so please come to the meeting, look me up to say hi, and pick up your name tag.

Esther is planning on another nice luncheon for us, so show up early for some catch-up conversation with old friends and help start off 2022 as a new and exciting year for our chapter.

I hope to see you all soon.

Jim Steward,

President, Bruce McCombs EAA Chapter 72

CLASSIFIEDS

Glenn Strom is a 92 year old aircraft builder who has a KR-2 project that he would like to sell. The fuselage has been extended 15" and he has a V6 aluminum Ford engine that has been modified for the plane. Sounds like part of the empennage is complete and he also has the spars for the wing. He does not have any pictures of the project, and unable in his current condition to take pictures, but it is a nose wheel configuration. It also sounds like there may be several additional parts. Glenn is very pleasant to talk with and seems to be very intelligent. He is only looking for best offer on the project, but don't embarrass him by ridiculously low prices. His phone is 719-576-0966 and his address is 11640 Callecruo (15 miles south of COS on 115). If anybody is looking for a project to complete, this might be the one.

Young Eagles Update.

Greetings Young Eagles Team!

The next Young Eagles event will be March 12th, 2022 and we already have 19 signed up. I will send out a request email for volunteers prior to the event. Thank you for all your support. Please let me know if you have any questions.

sincerely,

About Our Chapter

EAA Chapter 72 meets at Meadow Lake Airport. **Meetings are on 3rd Saturday of each month** with a Young Eagle Rally and/or breakfast/brunch/lunch or other activity throughout the month on Saturdays. Look for the calendar of events to high- light special chapter events like Young Eagle Rallies, fly-outs, and all other chapter sponsored activities.

The Chapter Newsletter is published monthly, normally mailed, and available on the website a few days before each meeting. Readers are encouraged to contribute articles, photos, etc. by submitting them to the Newsletter Editor in hard copy — email, pen/ paper, if it is not verbal—by the first Saturday of each month.

Annual membership is \$25. Send to: EAA Chapter 72, 7980 Cessna Dr. Peyton, CO 80831 payable to EAA Chapter 72, and start receiving the newsletter each month, attending the meetings, and having a great time with sport aviation.
