January 2020

Chapter News—Let's Get Going!

January 2020
Presidents Message

Welcome to 2020! With this New Year comes a few changes to your board of directors. **Bill Marsh**, a recent new member and a CPA, takes over the duties of Treasurer for retiring **Scott Benger**. **Doug Ritter**, also a relatively new member is our new Programs Chairman. **Richard Martin**, another new member, will be heading up the new IMC Club. **Mark Steward** will continue as Vice President. **Esther Smith** remains as Secretary. **Carl Benda** will continue as Membership Chairman and **Randy Loyd** carries on as Newsletter Editor. **Bob Hall**, our Web Master also will continue on and **Vann Norred** stays on as Member at Large. I have been ~~railroaded~~ re-elected as President for another two years. I want to thank all of last year's board members for all of their help and guidance. We have an exciting new year ahead of us and I look forward to working with the new board members as well as the remaining members.

Well, I hope all of those who attended the Christmas Party enjoyed watching me make a complete fool of myself. Truth be told, I had a great time. The food was really good, and we didn't drink too much, since it was a long hike to the bar. I think the wives who attended enjoyed all of the stories the members told, at least it appeared that way, and I only wish that they had told some stories as well. Maybe next year.

In my own way, I am glad to see 2019 gone, and excited about 2020. There are several things in the works that will make this year memorable. The flying club will get off the ground soon, May 16th will be a great day under Marks leadership. The September fly-in returns again, and our January meeting will be a magnificent way to start off the year with Sarah Byan Rickman as our speaker. In addition, I talked with Ken Hendrickson today and told him that we would like to see the progress on his S21. So on April 18th the chapter will meet at his house at 10:00 AM to scrutinize his workmanship. The only concern is that the S21 may be complete and at Meadow Lake, in which case we will meet there. Ken is moving fast and ready to attach the fuselage (picture) to the cockpit this weekend.

Young Eagle flights will be starting this summer and In August we have been asked to do Y/E's in Alamosa. There are many things to work out with that, but if you fly Y/E's please consider flying to Alamosa early on the 22nd of August for a fun day of flying.

The first of the year also means that dues are due! If you are a new member who joined in October, 2019 or later, then your 2020 dues have been paid. Otherwise, it is \$25.00 for the year and it would be helpful if all dues could be paid by end of January or just pay your dues at the meeting.

BIG CHANGE Coffee and doughnuts have been moved to the 2nd Saturday at 8:00 AM every month. It's open to everybody at the airport, **not** just EAA members!! Come have coffee and good conversation with fellow airport ~~bums~~ people.

Jim Steward, Pres.

About Our Chapter

EAA Chapter 72 meets at Meadow Lake Airport. **Meetings are on 3rd Saturday of each month** with a Young Eagle Rally and/or breakfast/brunch/lunch or other activity throughout the month on Saturdays. Look for the calendar of events to high- light special chapter events like Young Eagle Rallies, fly-outs, and all other chapter sponsored activities.

The Chapter Newsletter is published monthly, normally mailed and available on the website a few days before each meeting. Readers are encouraged to contribute articles, photos, etc. by submitting them to the Newsletter Editor in hard copy — email, pen/ paper, as long as it's not verbal—by the first Saturday of each month.

Annual membership is \$25. Send to Esther Smith, at 7890 Cessna Dr, Peyton, CO 80831, payable to EAA Chapter 72, and start receiving the newsletter each month, attending the meetings and having a great time with sport aviation.
