

17 December 2021

KPAN 2022 Aerofair

Informational Update

Background: A meeting was held on 2 November by several local organizations to discuss their participation in a Town of Payson aviation event. The term "Aerofair" was used for years until the Town dropped the event, so all groups decided that the event should be re-established as the Aerofair.

Attendees

EAA Chapter 810
Rim Country 99s
Payson Aero Club
Payson Pilots Association
Civil Air Patrol
Arizona Pilots Association

A meeting was held with Sheila DeSchaff, Asst Town Manager, and Dennis Dueker, the Airport Coordinator on 12/2/2021.

A general plan is being developed. Town Parks and Rec has given us a hard date of Saturday, 22 October 2022 for the event, this date was arrived at as there are no scheduled conflicts happening in the Town or nearby communities.

A meeting was held with PPD Chief Tischer and Lt Jason Hazelo on 13 December. A meeting has been scheduled with PFD Chief Staub however he has been out ill and will resked when he returns.

Areas being pursued:

Talking to Arizona Guard at Tucson for support with a static display. They have A10 and Seahawk aircraft.

Have contact information for Army Guard for support request. Possible Seahawk.

Have contact information for Forest Service display, either fixed wing or helo.

Working with Falcon Field Warbirds for display aircraft.

EAA Tours has us on the list for possible tour, B17, B25, or Ford Trimotor.

Payson Senior Center Board meeting in January to decide if they will assist with a van for handicap movement back and forth to parking lot

Items to work:

Establish committees to start detail prep

Budget/Finance

Display and layout

Security and facilities

Public Relations and Advertising

Submit insurance request to EAA

Submit Tour request to EAA

Plan security support – possible use of MCSO Posse

Determine medical support requirements

Solicit donations to offset costs

Determine vendors and food services

Obtain volunteers to take ownership of tasks
