

Jake Logan got to fly his new Sonex to Airventure!

Airventure is going as I'm writing this....

[Click on this link for several Live feeds of Airventure](#)

Do you have to upgrade for ADSB mandate ? as I'm writing this you have 163 days left.

Our **August meeting is Aug 4th 2:00 pm** at Nappanee Municipal Airport.

Dues for 2019 – We have quite a few members that still owe there membership dues, **I will stop emailing you the newsletter to you if you don't get your membership PAID if you still need to pay for this year.**

See Jerry Hochstetler to pay for your membership for 2019 if you have not done so yet.

Fun Facts:

Speed is life, altitude is life insurance. No one has ever collided with the sky

Last Months minutes

Well our leader Byron was MIA so we partied LOL..... Well kind of, we watched the Chapter Video magazine on the new projector screen and were led by Rich Meyer. Not much to report otherwise but we talked about projects and who's going to Oshkosh.

Projects

- Byron Smith – Mini Max
- Paul Beachy – Falconaire/Jodel
- Norm Bontrager – Rans S6
- Olen Borkholder – 3D Printed Jet Engine, 2 Flightstars

Well I had a new project this past week, my building got a new metal roof and I'm now also starting to insulate Hanger #1 and Hanger #3 was Sold to Nick in the club.

Projects

Arden Adamson – Pietenpol Is coming along very nicely and has started assembling the center section of the wing onto the fuselage

Birthdays in August

- Aug 3rd Beron Darwin
- Aug 12th Ralph Lutes
- Aug 14th Warren Yoder
- Aug 16th Lavern Leichty
- Aug 21st Byron Smith

If you are currently looking for a project that doesn't require a lot of work to finish and has been built by a great craftsman and builder, here is a Murphy Maverick high wing tail dragger with polished aluminum fuselage and wings. Quality workmanship throughout with the supervision of an EAA technical advisor. Engine has Zero time Jabiru, serial # 22A2996 Moel 2200A, 4 cylinder. A Sensinich wooden prop, polished spinner, fiberglass nose bowl and aluminum cowling from firewall forward also available. The wings have fiberglass wingtips that need to be installed. Must sell due to medical issues. Over \$30,000.00 invested so far and only asking \$20,000.00 Hangered at the Goshen Airport (KGSH) Call Don for more details. Cell 574-370-2869

Titan Tornado at Nappanee Airport for \$13,500 **SOLD**

Infinity 2 Place Powered Parachute with Rotax 582 – Norm Bontrager

News

Well we love to get together and eat Food

Thanks to Amie, Norm and Mark we had a great time on Friday evening July 12th with grilled burgers and homemade ice cream, a good time had by all and even a spot landing contest.
