

We still don't know what season it is but it seems there are no shortage of beautiful sunsets in Indiana. Who knows where this picture was taken?

Do you have to upgrade for ADSB mandate ? as I'm writing this you have 225 days left.

Our June meeting is **June 2<sup>nd</sup> 1:00 pm** at **Goshen Airport**. Jake and Donnie's hangers, #43 & #44. Hamburgers and hotdogs, drinks and table service will be provided. **Please bring a dish to share.**

**Dues for 2019** – We have quite a few members that still owe there membership dues. See Jerry Hochstetler to pay for your membership for 2019 if you have not done so yet.

### Fun Facts:

It's better to be down here wishing you were up there, than up there wishing you were down here.

## Upcoming Events

June 2<sup>nd</sup> Flyin-Drive in Meeting lunch "GSH"

June 8<sup>th</sup> Young Eagles Day

June 16<sup>th</sup> Mishawaka Pilots Club "3C1"

June 22<sup>nd</sup> Roger Howe Breakfast Columbia City "09IN"

July 14<sup>th</sup> Bremen Sky Knights RC Flyin – Bob Unsicker property south of bremen

## Last Months minutes

Jake flew in Sonex to the meeting on his 5<sup>th</sup> flight.

Discussed the June meeting and where it will be and what food will be there.

A member is donating a projector screen to the chapter for the video presentations to make it easier to store as it pulls up to the ceiling out of the way.

## Projects

Lloyd Turner – Sonex, is selling it when complete

Byron Smith – Mini Max

Paul Beachy – Falconaire/Jodel

Jake & Jeff Logan – Sonex, Now officially flying

Norm Bontrager – Rans S6

Olen Borkholder – 3D Printed Jet Engine, 3 Flightstars

Flightstar Spyder is coming together and hope to be flying it by mid to late June.

## Projects

Arden Adamson – Pietenpol just finished RH wing now going to start LH Wing

Jake Logan - SONEX Well we got to see the sonex fly into the last meeting for the first time!

### Birthdays in June

June 16<sup>th</sup> Jerry Hochstetler

If you are currently looking for a project that doesn't require a lot of work to finish and has been built by a great craftsman and builder, here is a Murphy Maverick high wing tail dragger with polished aluminum fuselage and wings. Quality workmanship throughout with the supervision of an EAA technical advisor. Engine has Zero time Jabiru, serial # 22A2996 Moel 2200A, 4 cylinder. A Sensinich wooden prop, polished spinner, fiberglass nose bowl and aluminum cowling from firewall forward also available. The wings have fiberglass wingtips that need to be installed. Must sell due to medical issues. Over \$30,000.00 invested so far and only asking \$20,000.00  
Hangered at the Goshen Airport (KGSB)  
Call Don for more details.

## Experience Oshkosh

It doesn't matter what you see; you just have to see it for yourself, at EAA AirVenture Oshkosh, The World's Greatest Aviation Celebration®. It's truly aviation's family reunion. July 22-28, 2019

EAA is marking the 50th consecutive year of its annual EAA AirVenture Oshkosh fly-in convention in Oshkosh in 2019 with a full schedule of activities for arriving aviators and residents of EAA's hometown. The EAA fly-in convention was first held in Milwaukee, Wisconsin, in 1953. In 1959, the event moved to Rockford, Illinois, where it was held annually through 1969 before coming to Oshkosh.

March 28, 2019 - A roster of the most legendary American military aircraft in history, from iconic World War II airplanes to today's most sophisticated flying machines, will be flying and on display this summer at EAA AirVenture Oshkosh 2019.

EAA's activities are being planned in conjunction with the U.S. Air Force Air Combat Command, EAA Warbirds of America, and individual aircraft owners. The activities will take place throughout the week, with some special programs designated for particular days during AirVenture's seven-day run.

Among the events involving past and present military aircraft are:

Aircraft from the USAF Air Combat Command, including fighters such as the F-15, F-16, F-22, and F-35, as well as the A-10 attack aircraft;

The first Oshkosh appearance of the unique XP-82 Twin Mustang, which has been under restoration in Georgia;

A salute to World War II ace Bud Anderson, with every flying P-51 in the U.S. invited to Oshkosh to participate;

A gathering of U.S. Navy fighter aircraft, including F4U Corsairs, the gullwing fighters that were a key asset in the Pacific Theater;

Observance of the 75th anniversary of D-Day, with aircraft that participated in the actual invasion on June 6, 1944, as well as C-47 airplanes that will have just returned from a historic anniversary flight to France;

U.S. Air Force Heritage Flights and U.S. Navy Legacy Flights involving historic and modern aircraft in formation, highlighting the legacy and evolution of military aircraft.

CELEBRATING
