

EAA Ultralight Chapter 75

North Central Wisconsin Lite Flyers

PO Box 12 • Schofield, WI • 54476

August 2009 Meeting Minutes

The August meeting of the NCWLF was held on Saturday the 15th at the airstrip of Jim and Sandy Shnowske. Vice President Bob Payzer called the meeting to order and introductions followed. 22 members were present. The secretaries and treasurers reports were given and approved.

Old business; Bob reported that the B-17 visit to the Wausau airport was a success and added over \$1200 dollars to the club treasury. A big thank you to those who volunteered their time on this activity. Our club needs a replacement for our copier/printer and a motion was made and accepted to use some of the funds for that purpose. Attendance at EAA Airventure was up this year. Thanks to all the members who volunteered and helped make the show a success. A good discussion among the members about Airventure

experiences and perceptions took place. Paul Buss reported that over 100 planes flew into the area this year which was a considerable increase from last year. Jim Cornelius suggested our chapter send a thank you to Tim Bogenhagen for the effort he puts in to the Ultra Light area each year.

Musky Days recap; Bob Payzer reported that 33 planes flew in this year, down from 87 last year. A little disappointing but considering the weather it was a fine turn out. Bob thanked those who helped run the fly-in and in turn our members thanked Bob for hosting the event.

New business/Project reports; Ron Detert has a line on some wheels for his Mini-Max. Bob Payzer reported that Cals brother Frank has built a replica of the Curtiss flying boat that Jack Vilas flew, and hopefully a visitor or historical center will be built in the Boulder Lake

area and the replica displayed there.

Upcoming events; Tomahawk Fly-in August 16. Pig Roast at new members Larry and Julie Wennings on August 22nd. Tuesday evening fly night August 25th at Wayne and Dana Podeweltz NE of Merrill. Merrill Airport Day Sept. 12th with a hanger dance at night. Shell Lake Fly-in Saturday before Labor Day Sept. 5th. And don't forget every Wednesday is Hamburger night, and Saturday mornings there is breakfast at Rick Coes hanger at Wausau downtown airport.

The members attending thanked Jim and Sandy Shnowske for their hospitality, the meeting was adjourned, and food was consumed.
