### 4th Annual Fall Fly

Blessed by sunshine, warm temperature and a great turnout - the 4th Annual Chapter 75 Blume/Voss Fly Fall 99 was a great success. When I was younger I used to dream of owning an ultralight and being part of a strong club, I guess all good things do come to those who wait.

Two powered parachutes - Jack La See and Lanny Ross - flew at the fly-in for the first time this year. Also flying this year were six ultralights - Dan Marlenga, Steve Krueger, Gordy Radtke, Rich Papa, Dean Turner, Helmut Jungerman and one crazy guy with a gyroplane - myself. Before I go on I must thank all the pilots for flying and putting on a great show of their aircraft and piloting skills. Steve Krueger, as always, gave rides to all who asked and was kept busy until sun down. Each new passenger wore a grin from ear to ear upon exiting the aircraft. I am sure he fulfilled a few dreams that evening.

With the sun setting, pilots landing and everyone gathering to eat, the smell of supper replaced the smell of 2 stroke oil in the evening air. Thanks to all who brought a dish to pass - every thing was great! Pat and Deb Kenny hosted the Broasted chicken. At the last minute they decided to change the count from 75 to 130 pieces. Good thing because it turned out to be just enough. After supper Steve held or chapter meeting. Once the old and new business was taken care of it was time for gathering around the camp fire. Kids roasted marshmallows, Steve Krueger got to try out his new popcorn popper (worked great and the popcorn couldn't have been better).

With the moon and stars shining, a warm camp fire, favorite beverages (pork chops) in hand, JJ Smith took center stage. His songs of old and new warmed the hearts of all as he played requests through the evening. JJ even played our Bill Markstrum Ultralight Song lead by Steve Krueger and the rest of the crowd providing back up. We missed you Bill and Dee. JJ entertained for 3 hours after which his fingers glowed as red as the fire. Jack Burkam sang some solo's and many others joined in on songs that words could be remembered. Thank you JJ for your talent, wit and wisdom. I believe it was about 2 am when I finally went to bed. I never did like to let a good fire go to waste

but the thought of early rising finally won out.

Dean Turner was first to churn up the morning air and get people up for breakfast. Karen Krueger, Steve Krueger and Jack La See manned the four electric griddles while Dan Marlenga prepared sausages on the gas grill. Campers and many others returned for breakfast at 8:30. By now Dean was landing and we all enjoyed a great breakfast provided by Steve and Karen Krueger.

As breakfast ended Dean, Gordy, Steve, Rich and myself returned to the air for more local flying before the rains came. Steve gave more rides and JJ got his first time at the controls. I think he's hooked now for good. With rain moving in pilots and guests started their departures to destinations north, south, east and west. We packed up, cleaned up and ended another successful fly-in. There are many things that make a good fly-in, but I think the most important is the people that attend.

Until next year

Mark Blume | Tom Voss

Special Thanks To: JJ Smith, Steve and Karen Krueger, Deb and Pat Kenny, Ron Detert, Jack LaSee, Gordy Radtke, Rich Papa, Dan and Patty Marlenga, Phil and Dodie Neubauer, Dean Turner, Helmut Jungermann, Tony Borchardt.

## Hello Fellow Flyers

Hello fellow Flyers. I want to write a few lines thanking the people who signed up to help at the Wausau fly in which was held on July 24. As you may know, the Central Wisconsin Lite Flyers were in charge of the air rally event at the air show. Due to a lack of interest the air rally event did not take place. But our volunteers were at the ready if the event had taken place. So thank you Mary Borchardt, Ron Detert, Bill Markstrum, Mark Blume, Tom Voss, Michael Leamy, Deb Young, Dan & Patty Marlenga for your time and efforts to make this event work.

Tony Borchardt.

away wood peckers!

## Thank You

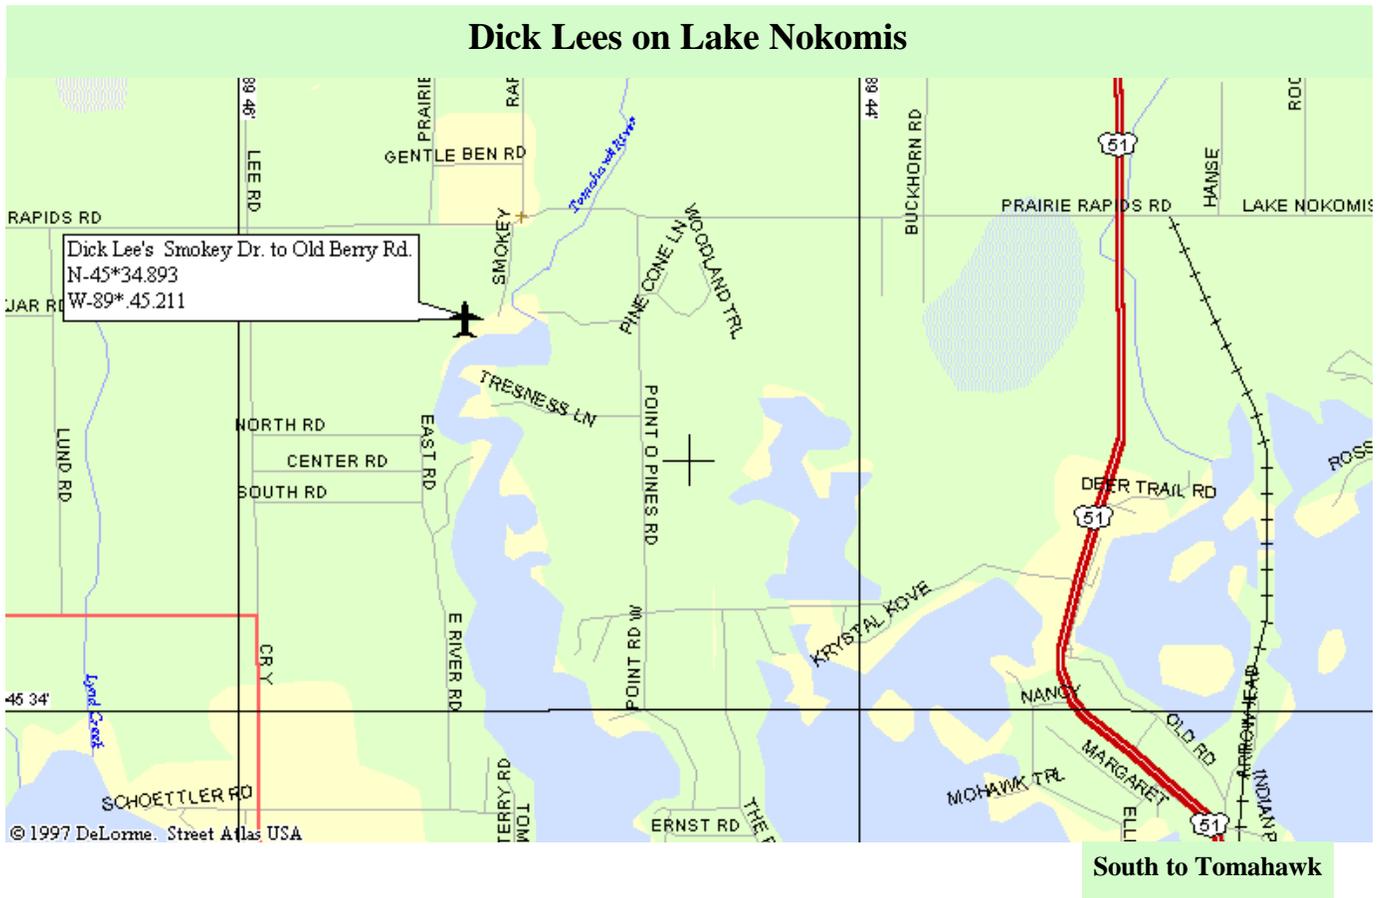

Thank You Mark and Tom. On behalf of all our club members we would like to thank you for your great hospitality in hosting our 4th annual fall fly-in / camp-out last month. It was another great hit and success. You may think it was many people helping out where needed, but we know that this could never happen without your hard work and planning. A special thank you to Pat and Deb Kenny for hosting the roaster of chicken Saturday evening. And thank you J.J. Smith for the evening entertainment around the campfire. Everyone that attended claimed a fantastic time by all. Looking forward to doing it again next year!!!!

Steve Krueger
