November Hangar Flying Event

The November hangar flying event will be a safety seminar presented by Alan Hoffert from the Minnesota FAAS team on the WINGS program. The event is open to the public and you are encouraged to register at:

http://faasafety.gov/SPANS/event_details.aspx?eid=46964&caller=/default.aspx

When: Friday, November 9, 2012 at **7:00 PM** – note: 30 minutes earlier than usual.

Where: Dodge Center airport terminal building (bring chairs)

The program will review the WINGS program and help you to navigate this useful tool.

Pilot Proficiency, it's your responsibility.

Fall Ditch Cleanup

Thanks to those of you who came out to help with the fall ditch cleanup. We were able to complete the entire project in 2 ½ hours with just five people – imagine how quickly it could go with a few more volunteers. We'll be doing it again in the spring so you'll all have another chance then.

December Hangar Flying Event Locations

We're still looking for locations for the December hangar flying event. If you would like to volunteer, contact myself, Dwayne, or Dick so we can get it on the schedule.

Chapter Dues

The time to start collecting chapter dues is upon us. Annual dues are \$10.00 and must be paid for members to retain voting privileges.

Good Links

Formation flying with a Spitfire and a Sopwith Camel. This video is cool on so many levels...

Excellent quality video of Red Flag. This video clip is taken from an IMAX movie called Fighter Pilot. The entire movie is outstanding.
