Gettysburg Barnstormers—EAA Chapter 1041

Gettysburg, Pennsylvania

## Henry's Hangar

Happy New Year, Barnstormers! I hope all of you had a blessed Christmas and Santa treated you well.

Last month I teased you with mentioning that in 2022 I'll try to include some quotes in this monthly column. The first one is this: *"EAA is open to all. Who do we tell that they are not welcome? Who do we tell they should just stay home?"* Paul Poberezny, EAA Founder

On the evening of Friday, December 10, more than 50 Chapter 1041 members and guests enjoyed one of the best Christmas Party meals we have ever had. The staff at Spring Grove High School greatly exceeded all expectations and provided us with an outstanding evening. The food was out-of-this-world, we were surprised with Prime Rib of Beef that was incredibly tender and delicious. The membership asked for ice cream to be included with dessert, they surprised us with 3 flavors to enjoy, and the airport runway cup-cake dessert was a work of art, both artistically and culinary as well. The Superintendent of Schools was one of our servers, along with several department heads and they went out of their way to make us feel welcome. Look for photos in this edition of The Observer.

If you missed it, well, . . . . . Stormer Claus left some goodies for the naughty folks that didn't attend.

As we start a New Year, there are open dates on the calendar for programs at our monthly gatherings. Have a suggestion for an interesting program? Please send me an e-mail or phone me to schedule what you have in mind. Look in this issue of The Observer for what the January program will be.

Supply Chain issues – we've all been hearing about them and our Chapter was affected also. We traditionally hand out Certificates and Pins from EAA at the Christmas Party, however this year the folks at Oshkosh did not get their supplies in time. Our materials arrived a week after the party, so we'll plan to present the awards at the January 3<sup>rd</sup> meeting.

Please remember to mark your calendars for our first Soup-er-Sundae event of 2022 on Sunday, January 30<sup>th</sup>. More details about that fun afternoon will be shared during our Jan. gathering.

Henry

## January Program

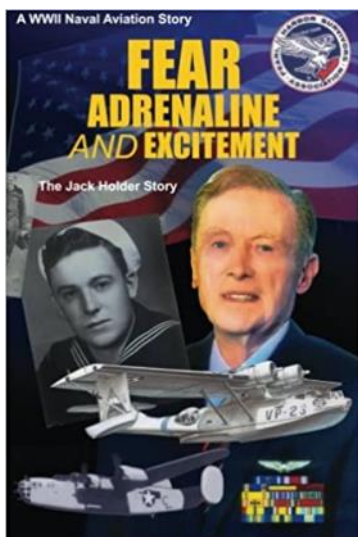

Jason Pape, our Young Eagles coordinator, will Present AeroEducate

**We've often asked the question, "I just took this kid on a Young Eagle flight, but now what? They are super interested in aviation, but all I can do is take them for a flight." EAA's new AeroEducate program is the answer. We take a look at what the program is, and how we can use it as a chapter to provide additional youth programs.**

**Programs are needed for future months**

## Book Review

## Fear, Adrenaline, and Excitement...The Jack Holder Story By Jack Holder

Jack's story begins at Pearl Harbor, December 7, 1941. Through the next four years his life will change forever, as he feels the fear, adrenaline, and excitement of a war that would take him to Midway, Guadalcanal, the English Channel, and many other places fighting for what he believed in. And his story continues...

-R-

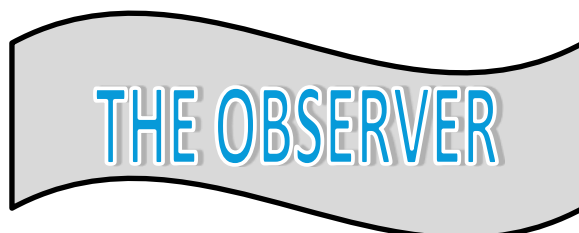

Join us on Sunday January 30th at the airport for the first **Soup-R-Sundae** event of 2022. Bring a can or two of soup to add to the “common brew” and enjoy the tasty result. To date we have never had a “soup failure.” Bring a dish to pass, **soup bowl, utensils**, and a hearty appetite. Soup is served about 1:00 PM. Plan to enjoy hangar flying as well as an aviation related movie or video. This event is certain to take the chill out of those cold winter months of January, February, and March.
