Merry Christmas!

I hope every Barnstormer had a wonderful Thanksgiving, and the entire Hartman family wants to extend our best wishes for a very Merry Christmas and a really Happy New Year!

2021 has proven to be another challenging year for our Chapter, and I'm proud to say we made it through with flying colors (pun intended!). Thanks to the efforts of so many of you, we were able to hold two very successful Fly-In/Drive-In Breakfasts. We again had most all of our meetings in person with excellent programs each month.

As you'll see in this edition of The Observer, our annual Christmas party is a GO for this year. We missed last year, so now is our time to make up for that! As always, there will be some surprises and we hope to see YOU there to be a part of the festivities. You'll go home with some goodies brought just for you by our old buddy, 'Stormer Claus! Please follow the instructions on another page and sign up by December 1st.

The chapter has a program lined up for the January meeting, we'll start with a very interesting and informative session relative to one of EAA's newest Youth activities. Stay tuned for more news on that in the next newsletter. We are looking for program ideas for February and the rest of 2022, so please send me any suggestions that come to mind.

I would like to thank each one of you who helped to make 2021 a good year for the Barnstormers. While we could do everything that we would have liked to, such as Field Trips, we did manage to complete nearly all of our usual activi-

ties and they turned out very well. This would not have happened without your participation. Again, thank you.

As we look forward to the start of another year, I'll leave you with a teaser. For next year, I hope to include some special quotations each month in this column. I may give some hints about this at the Christmas party, so there's yet another reason to attend our final gathering of this year!

Have a very Merry Christmas,

Henry

Book Review

Tiger in the Sea: The Ditching of Flying Tiger 923 and the Desperate Struggle for Survival

by Eric Lindner

September 1962: On a moonless night over the raging Atlantic Ocean, a thousand miles from land, the engines of Flying Tiger flight 923 to Germany burst into flames, one by one. Pilot John Murray didn't have long before the plane crashed headlong into the 20-foot waves at 120 mph. As the four flight attendants donned life vests, collected sharp objects, and explained how to brace for the ferocious impact, 68 passengers clung to their seats: elementary schoolchildren from Hawaii, a teenage newlywed from Germany, a disabled Normandy vet from Cape Cod, an immigrant from Mexico, and 30 recent graduates of the 82nd Airborne's Jump School. They all expected to die.

Fly-Out Destination

The Fly-out destination for December will be discussed at the Christmas Party. Fly-out requests can be made to Dick Young our fly-out Coordinator.

THE EAA 1041 SKY RAIDERS

The EAA 1041 Sky-Raiders have a scheduled fly-out on the 3rd Saturday of each month. Each pilot will make their own go/no go decision. Please call or email Dick Young (717-521-7942) (dicknraney@comcast.net) no later than Friday afternoon if you plan to join the flight. Dick will make restaurant reservations at the destination airport; therefore, an accurate count of participants is appreciated.
