Longtime Member, Robert Howe, has passed

On November 21st, 2022, longtime member and our newsletter editor and webmaster, Robert Howe passed away. Sadly, Robert died on the morning of his 75th birthday.

Robert helped keep everyone informed by making sure *The Observer* came out every month like clockwork, helped to run the IMC/VMC Club, help immensely at the

Barnstormer Pancake Breakfasts, and most notably, got the high school to start an aviation STEM class.

Robert also helped coordinate with the superintendent of schools to host the annual Barnstormer Christmas Party at Spring Grove High School.

A memorial service will be held on Saturday, December

10th at 1 pm, at the Kenworthy funeral home on Frederick Street in Hanover PA.

*Paul H. Poberezny
EAA Founder, 1921-2013*

As I write the column for this month, I am filled with many emotions. We've lost a great member and friend with the unexpected passing of Bob Howe. Bob sadly passed away early in the morning of his 75th birthday, November 21. To say we will miss him is such an understatement. Bob served so many years and in so many positions, making our Chapter a better organization and a lot more fun. There will be a memorial service on Saturday, Dec. 10th at 1 pm in Hanover. I would encourage all of you to attend and show our sup-

port for Bob's family and friends. More information will be shared as it becomes known.

Our annual Christmas Party will be held Friday evening, Dec. 9th, at the Spring Grove High School cafeteria. More details are in this edition of the Observer, please sign up no later than Thursday, Dec. 1st if you can join us for the festivities.

December is the month we renew our Chapter status with EAA. There are several pairs of big shoes our Chapter needs to fill with Bob's passing. I'm pleased to let you know the EAA Volunteer Spirit is shining brightly as Dianna Moy has graciously offered to

become our Newsletter Editor and Webmaster. Her information will be included in the renewal application we submit to Oshkosh.

As we prepare to start another New Year, we are looking for program presenters for our monthly gatherings. Many of our own members have interesting stories to share, so please consider telling your fellow members about your aviation background and experiences. If you know someone who would make a good speaker, please ask them and pass along the information to me.

Tradition is that we forego a December Chapter gathering

Robert Snyder Howe, 75, of Hanover, PA, died peacefully at home on Monday, November 21, 2022, at home with his loving family by his side.

Born November 21, 1947, in Hanover, he was the son of the late Edgar Eugene and Ruth Elizabeth (Snyder) Howe.

Robert was a veteran and served his country proudly as a captain in the United States Air Force during the Vietnam War.

He was a 1965 graduate of Hanover High School, Hanover, PA, and a 1970 graduate of Evansville University, Evansville, IN. He worked in advertising sales and IT for Radio Hanover (WHVR and WYCR) and Hanover Cable TV for twenty-eight years until his retirement in 2010. Bob, as he was affectionately known, was always on-call to restore radio and cable services for the Hanover area.

Robert was an aviation enthusiast, and was a member, past-president, and newsletter editor for the Gettysburg Barnstormers, EAA Chapter 1041. He enjoyed the social experience of friends, family, a good craft beer, was a longtime fan of the Indianapolis 500 (THE Greatest Spectacle in Motorsports), and especially loved spending quality time with his grandchildren.

In addition to his wife, Cynthia (Sweigart), with whom he shared forty-six years of marriage, Robert is survived by his children, Elizabeth A. Howe, Sarah K. (Howe) Rodenburgh, Jeffrey R. Howe, and Andrew R. Howe; two grandchildren, Heidi Rodenburgh and Henry Howe; and one brother, John S. Howe.

A celebration of life service will be held 2:00 PM, Saturday, December 10, 2022, at the Kenworthy Funeral Home & Crematory, Inc., 269 Frederick Street, Hanover, PA. Burial will be private and at the convenience of the family. A visitation and time to share memories with the family will be held from 1:00-2:00 PM, Saturday, December 10, 2022, at the funeral home.

In lieu of flowers, contributions may be made in memory of Robert to the Gettysburg Barnstormers EAA Chapter 1041, Inc. or The Young Eagles Scholarship Program. Please make checks payable to Karen Radzai, Treasurer, 450 Shrivvers Corner Road, Gettysburg, PA 17325, or to the American Red Cross, 230 Greenamyer Lane, Gettysburg, PA 17325.

IMC & VMC Video scenarios provided by the Chapter Office will be discussed as well as video scenarios available from the AOPA Air Safety Institute

IMC/VMC Club

Bob was heavily involved with the IMC/VMC Club. Our last photos though, were from our February meeting which have been shown in The Observer a couple of times.

We're going to dedicate our space this month to a few more memories of Bob.

Letter from the (new) Editor

Greetings, Barnstormers!

Filling the shoes of Bob Howe as editor of The Observer and managing the websites are only a couple of the pairs of shoes that Bob wore for our chapter. He will be missed but never forgotten for all of his contributions to Chapter 1041.

While the newsletters and other communications may

have a different look and feel, the content and information that Bob felt was important to the Chapter membership. Will continue to be distributed to the membership.

If you ever have a comment, suggestion, criticism, or complaint, please do not hesitate to let me know. I want this newsletter to continue to be something that the chapter can be

proud of.

I am humbled and honored that so many of the Board feel that I can fill the Newsletter Editor and Webmaster position.

Thank you all for your support.

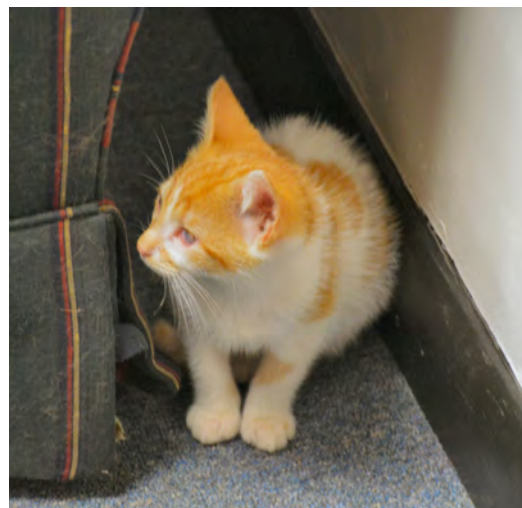

Dianna Moy
