Henry's Hangar

Hello Barnstormers! If you missed the annual picnic, you missed a great afternoon. We thank Gary & Kathy Mathna for again hosting our Chapter at their beautiful grass airstrip near York Springs. Thanks to Bob Howe for securing the meats, rolls, and the ice-cold birch beer. And a special Thank You to Homer Stambaugh for once again donating the delicious sweet corn. Everyone enjoyed the wonderful music that Dianna Graves provided with her sound system. As that old saying goes: "A good time was had by all".

As we look at the calendar for September, we have two major events this month. There is a Young Eagles event on Sunday, Sept. 19th and you can check with Jason Pape to volunteer for that day. Then on the weekend of the 25th-26th we'll host our second "Wings, Wheels, & Pancakes Fly-In/Drive-In Breakfast. The June edition of this very popular event was a record setter, and we have a hunch the September one might do the same!

We need your help for the Breakfast weekend, starting with hangar clean-up and serving line set-up on Friday, then Saturday and Sunday mornings, and especially early Sunday afternoon when we clean up and pack away all the equipment. Many volunteers seem to disappear about the time we end serving at Noon, and we need plenty of help after that time. Please come out and give us a

hand, you'll have a lot of fun and learn more about your fellow Chapter members.

The Ground School that we are sponsoring on Thursday evenings is a hit! We have a steady attendance, and Instructors Art Shaw and Michael Cooper-White are doing a great job presenting the lessons. Our Ray Aviation Scholar, Ross Clements, is making speedy progress and we hope the Ground School helps him prepare for the FAA Private Pilot Written Exam. Thanks to everyone that is participating.

AirVenture Oshkosh 2021 was a great event, it was good to be back there after 24 months of anticipation! We'll have a few programs in upcoming months detailing some "first-timers" experiences at the greatest aviation gathering in the world. There are a lot of wonderful tales to be told and you'll want to attend our monthly gatherings to learn more.

Hope to see you for our upcoming events in September!

Henry

The Flying Tigers: The Untold Story of the American Pilots Who Waged a Secret War Against Japan

Sam Kleiner (Author)

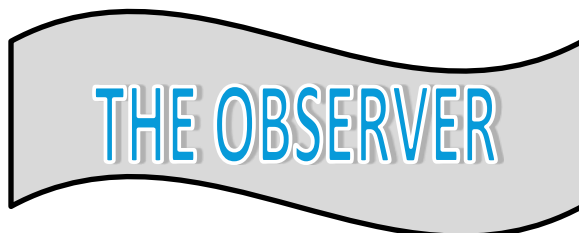

The thrilling story behind the American pilots who were secretly recruited to defend the nation's desperate Chinese allies before Pearl Harbor and ended up on the front lines of the war against the Japanese in the Pacific.

Sam Kleiner's *The Flying Tigers* uncovers the hidden story of the group of young American men and women who crossed the Pacific before Pearl Harbor to risk their lives defending China. Led by legendary army pilot Claire Chennault, these men left behind an America still at peace in the summer of 1941 using false identities to travel across the Pacific to a run-down airbase in the jungles of Burma. In the wake of the disaster at Pearl Harbor, this motley crew was the first group of Americans to take on the Japanese in combat.
