Henry's Hangar

"EAA stands for family, high standards, and cleanliness." *Paul Poberezny, EAA Founder, 1921-2013*

This month's quote reminds me so much of all of you, our Chapter 1041 **family!** We surely are a family of aviation enthusiasts who enjoy each other's company. The Barnstormers are known far and wide for our **high standards and cleanliness**, especially when it comes to our breakfast events.

We're looking forward to seeing you helping with our June 4 & 5 Wings, Wheels, & Pancakes Fly-In/Drive-In Breakfast. Starting with hangar clean-up on Friday morning, set-up of the serving line and tables Friday evening, and ending with the 'big' clean-up on Sunday at Noon, we would love to see you lend a hand. Please consider donating a few hours of your time over the weekend and we'll have a great time together.

The Ray Aviation Scholarship committee recently interviewed three candidates for the next \$10,000.00 flight training scholarship that we have been awarded. Stay tuned for the results of this very difficult decision. There may be some additional moneys available which could allow us to partially fund a second student pilot, more information about that possibility will be forthcoming.

Our annual Movie Night will be Saturday, May 28, at the airport. Come out for popcorn, a movie, and lots of

fun with your fellow Chapter members. Please bring cool (or hot) drinks of your choice, and plan to view the movie starting around 7:00 pm. The feature film has not yet been selected but you can be sure it will be enjoyable.

As we celebrate Memorial Day, please join me in pausing to remember all those brave service members who sacrificed to preserve our way of life. "All gave some, some gave all". We salute all of the people that have served in any way and especially all those who gave the ultimate sacrifice. May we never forget to honor everyone who fought for our freedoms.

The June Chapter gathering will be Monday, June 6th, the day after our breakfast weekend. We'll have a program as usual and a recap of the breakfast. Hope to see you there!

Henry

If you signed up for Chapter Camping at AirVenture please give Karen Radzai your check for \$270 payable to The Gettysburg Barnstormers by June 5th. This will guarantee that we get our preferred camp site.

June Program

Pilots often say the greatest enemy while in a plane is . . . fire ! Our fellow Barnstormer, Jason Pape, has been doing research on the fabric materials used for the interior upholstery in our planes, whether a factory built certified craft or a homebuilt. The results of his testing will surprise us as to the resistance (or not) to flame. If the weather permits, there might even be a live outdoor demonstration of various fabric materials (automotive, Walmart, Jo-Ann, FAA certified, etc.) and how they burn. Be sure to attend the June 6th meeting for this most informative program.

Book Review

Damn Lucky: One Man's Courage During the Bloodiest Military Campaign in Aviation History

by Kevin Maurer

"We were young citizen-soldiers, terribly naive and gullible about what we would be confronted with in the air war over Europe and the profound effect it would have upon every fiber of our being for the rest of our lives. We were all afraid, but it was beyond our power to quit. We volunteered for the service and, once trained and overseas, felt we had no choice but to fulfill the mission assigned. My hope is that this book honors the men with whom I served by telling the truth about what it took to climb into the cold blue and fight for our lives over and over again."

—John "Lucky" Luckadoo, Major, USAF (Ret.) 100th Bomb Group (H)

Ray Scholarship Update

Three Ray Scholarship candidates representing three area high schools were interviewed by the scholarship committee on May 15th. As usual all of those interviewed were extremely well qualified making a decision very difficult. The results of the interviews should be known in a few weeks. Every candidate that we recommend is reviewed by the EAA Chapter Office Ray Scholarship Committee. We are awaiting the results of their review process. We have requested that some of the residual funds from Ross's scholarship be applied to a second scholar. That request is also being reviewed.

The feature presentation for May 28th is an Irving Berlin Musical Comedy titled "This is the Army"

Run time about 90 minutes the show will start about 7:00 PM

Bring drinks and chairs.

Popcorn provided

The May questions of the month were discussed as were several videos.

The June gathering will be held at the airport on June 11th.

Questions of the month for June will be emailed the week before the gathering

Sam Kistler Photos

Pictures from the February Gathering

On May 18th Art, Bob, Henry, and Phil received virtual training from the Chapter Office regarding conducting IMC/VMC gatherings. There are many resources available from the EAA to make discussions lively and pertinent. Many of these are scenarios based on situations provided by EAA members who experienced the situation outlined in the scenario.

Fly-Out Destination

The Fly-out destination for June will be discussed at the June Meeting. Fly-out requests can be made to Dick Young our fly-out coordinator. Due to bad weather on the weekends we will discuss the possibility of an alternate date Mid-Week if we cancel the normal Saturday date.

THE EAA 1041 SKY RAIDERS

The EAA 1041 Sky-Raiders have a scheduled fly-out on the 3rd Saturday of each month.

Each pilot will make their own go/no go decision. Please call or email Dick Young (717-521-7942) (dicknraney@comcast.net) no later than Friday afternoon if you plan to join the flight. Dick will make restaurant reservations at the destination airport; therefore, an accurate count of participants is appreciated.
