

**EAA Chapter 106 – There is NO GPS address for GATE 4, so here's how to find it.**

Use this address to get you "close": **400 Holt Rd, North Andover, MA 01845**

Note: We are NOT at the main airport, so **ignore any airport signs.**

**From I-93, take rt-213, I-495 North -- exit 48 toward MA-125/Ward Hill/Bradford**

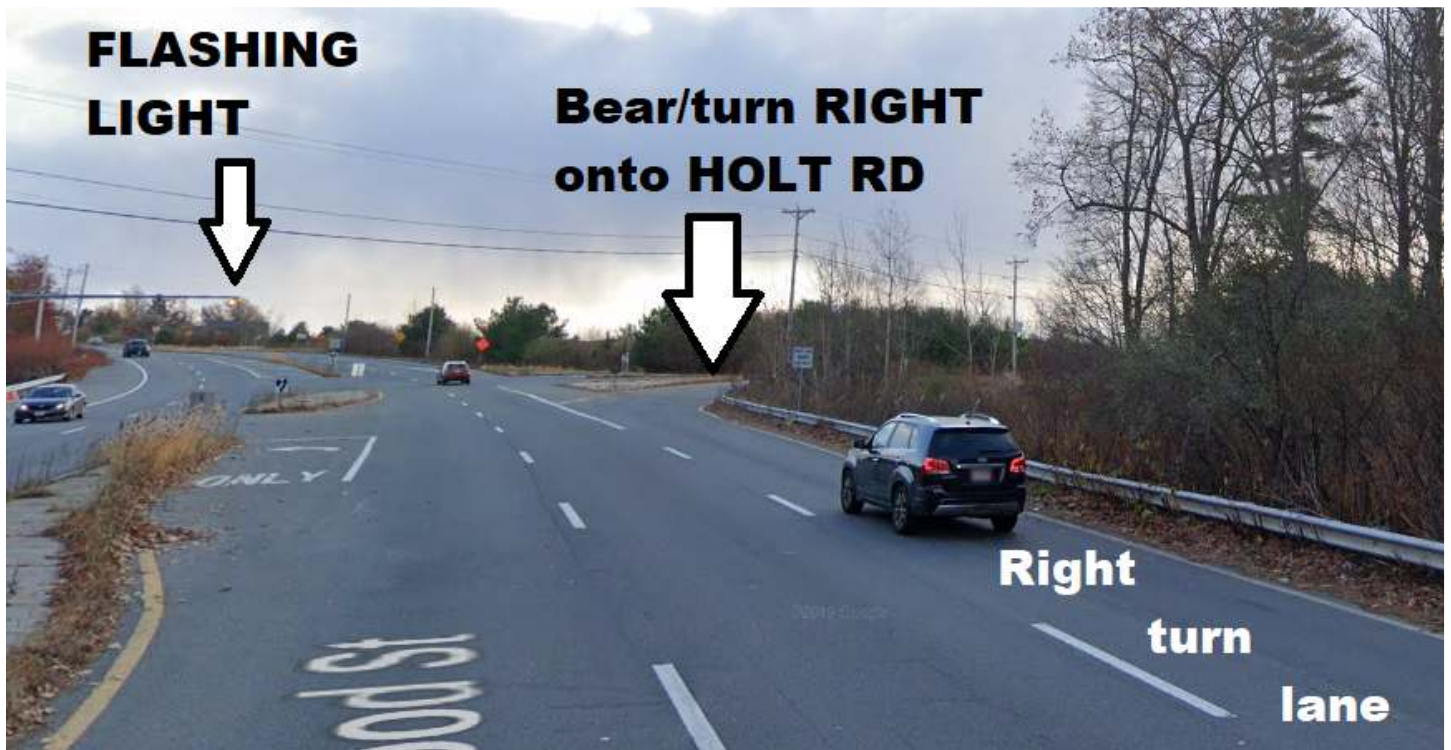

At the end of Industrial Way (a couple of lights I think),  
turn/BEAR **RIGHT** onto **Rt-125 SOUTH** (aka Main St)

You will pass a massive building on your right

and there is a traffic light at the end of the building.

Uphill, there will be a **FLASHING LIGHT**  
where you will **TURN RIGHT onto HOLT RD.**

You will pass some industrial looking equipment  
and come to a **STOP sign** which says **HOLT & CLARK**

Turn **RIGHT**. **GATE 4 will be on the LEFT** – just past some bushes.

Pull over to the right, park and call for someone to escort you in.

**At the STOP sign (says HOLT & CLARK) -- Turn RIGHT.**

**GATE 4 will be on the LEFT – just past some bushes.**

**Pull over to the right, park and call for someone to escort you in.**
