EAA Harbor Springs Chapter 1087 Update

A Note from Pete:

HAPPY NEW YEAR! I hope you and your families were able to enjoy the holidays while staying healthy!

The biggest update for our chapter currently is the results from our survey. See the next section for details.

We will be scheduling a few events as per the survey results later this winter or early spring. Some might have to be Zoom although we may be able to do some outdoor stuff too. Hopefully we can do a fly-out mid-spring or early summer as well to really get things going.
