EAA Harbor Springs Chapter 1087 Update

A Note from Pete:

I've been vaccinated! I thought it would help things return to normal from over 1 year ago, but that hasn't been the case yet. I suppose it is a new normal. I hope each of you have the opportunity to get vaccinated soon.

We have had members of our chapter (and family/friends) infected by Covid-19. One who had the virus says "I strongly suggest that people avoid wasting three weeks of their time by being infected and possibly losing one of their senses (smell and/or taste). I actually think it took three months to feel really back to normal".

Planned Breakfast Meeting Restart – 01-May

We are tentatively planning to restart our Saturday 8am breakfast meetings at Southwoods on May 1st. We also want to follow Michigan's CDC guidelines to ensure everyone's safety
(https://www.michigan.gov/coronavirus/?utm_source=google&utm_medium=cpc&utm_campaign=covid20)

In order to follow the guidelines, we would like to limit attendance at our breakfast to those who have been vaccinated. Many of us should have had the opportunity to do so. Please watch your email for a note to confirm that we will restart.
