EAA Harbor Springs Chapter 1087 Update

SADLY our Breakfast Meetings are still temporarily suspended

Following the indoor guidelines from the CDC, our breakfast meetings are being suspended. Hopefully we can resume them soon, this darn Covid situation is frustrating for sure. An informal poll at our picnic reaffirmed this position. We hope to have another poll soon to see if we should restart.

Upcoming Events – next up is 2 Young Eagles at KMCD Sep 17-18

- Friday September 17 4pm - Young Eagles event at Mackinac Island KMCD for the Boy Scouts. We already have several volunteers for ground help as well as several pilots. A detailed email will be distributed a couple days prior to the event. Fingers crossed for good weather. 24 Scouts are signed up to fly with us. Anyone interested to find a restaurant with outdoor seating for a chapter dinner afterwards?
- Saturday September 18 9am – Young Eagles again at KMCD for the Boy Scouts. 25 Scouts are signed up to fly with us. Again, an outdoor seating chapter lunch afterwards?

Upcoming Newsletter Feature – Member Aviation History

Starting with the next newsletter, a “member of the month” will write an article about their aviation history. It will be fun to learn more about how each of us were introduced to flying, our current activities, and more.

New Member introduction

A big welcome to John Van Etten. He is based in Boyne City and owns a Comanche Twin. He is a former military pilot.
