Boy Scouts YE Day: August 27

September Pancake Breakfast: September 10

Veterans Flights: October 1

Prop & Treats: October 30

Aviation College & Career Day: TBD

Santa Fly In: TBD

Don and Diane Slattery

We are saddened by the loss of our friends Don and Diane Slattery. Words can not express how hard this news has been for all of us. Below there is a link to a beautifully done news article honoring Don. Included in this article are kind words from several of our 1093 members.

Ashlynn Meyers

Congratulations on your prop and wings pin!

Tina Druskins

Completed training on the 757/767!

Look for her the next time you fly United.

Ed Yonkers

Edward H. Yonkers, 97, a devoted and beloved husband, father, grandfather, and great-grandfather, passed away in Solon, Ohio on February 14, 2022. A Midland resident for over seven decades, Yonkers was a member of the Greatest Generation and took enormous pride in his military service for the country during World War II. He was stationed at an airbase in England and received numerous decorations for his service. Born in Kent, Ohio on September 29, 1924, Yonkers moved to Midland in 1950 and worked as a respected scientist for Dow Chemical for over forty years. Yonkers possessed a skill set that was rarely seen in his day and is virtually non-existent now. In addition to his scientific credentials, he was a master wood worker, carpenter, plumber, and electrician. Yonkers built his own house as well as several airplanes and the Barstow hangar he kept them in. There was no job he would not tackle, and, as a proud member of Midland Kiwanis, he worked on numerous public service construction projects, mostly for children. A Renaissance man, he also enjoyed square dancing, international travel, domestic trips in his Airstream trailer, and cooking. Yonkers was married twice, first to Jane Yonkers and, after her death, to the former Julia Aamoth, who passed away in 2012. He is survived by two step-sons, their wives, and their four children, who knew him as "Grandpa," as well as five nieces and their extended families. His ashes will be interred in the Shrader Memorial Garden at the First United Methodist Church where he was a member since his arrival in Midland. Donations in his memory may be made to the youth ministries of the First United Methodist Church.

Aviation Camp 2022

Aviation Camp 2022 will be June 13-17, 2022 from 10:00am – 4:30pm with students being invited to a special Young Eagles flight on June 18. If you are interested in helping with camp, or flying one of the campers at the Young Eagles event please contact Sarah at sarahkpagano@gmail.com. If you know someone who may be interested in attending camp, please have them contact aviationcamp@outlook.com.

Camp has filled up quickly in the past and with not holding it the past two years it will probably fill up even faster than normal.

Doughnut Training

Will have a training of how to work the doughnut station.

Please consider joining us to learn how to make our most popular breakfast item. Being trained does **not** mean that you will be assigned to doughnuts at every breakfast. Rather, it will allow us to alternate jobs more and will provide a better back up plan if those trained are unable to attend a breakfast, especially at the last minute. Plus: all you can eat doughnuts at the breakfast (continual quality control)!

If you want to learn the doughnut station please let me know.

sarahkpagano@gmail.com

Flight Night

Plymouth Flight Night is fast approaching and we need your help! On Friday, April 29 100 third graders from Midland's Plymouth Elementary School will be coming to the airport for a night of fun STEM education that is directly in line with their science curriculum. The event is from 5:30-7:30PM.

We have a lot of stations, all aviation or space related and many benefit greatly from having a pilot at its helm. If you are willing to come and help us out it would be greatly appreciated by both the Flight Night staff and the kiddos who are joining us.

Please sign up here:

<https://www.signupgenius.com/go/10c0c45aca72da0f5ce9-plymouth>

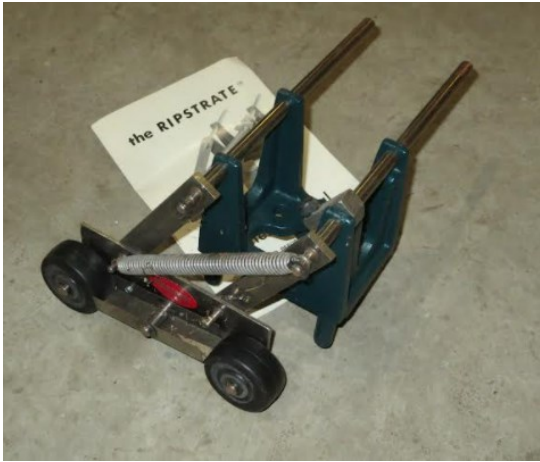

If you want more information on any of the stations or have any questions please let me know. sarahkpagano@gmail.com

EAA Chapter 1093 recently accepted the donation of hangar 3J and its contents. A decision is yet to be made regarding the disposition of the hangar (sell or rent), but the contents are to be sold. Included items are listed below, with a range of estimated values as known:

Rockwell jointer (on stand)	m/n 37-220	\$250-\$600
cutter collection(11)	AMT	\$400-\$650
Rockwell table saw (on stand)	m/n 34-426	\$150-\$250
Quintec table saw fence	Paralok	\$150
table saw anti-kickback	Ripstrate	\$25-\$50
saw blade collection	various	\$100-\$200
Bryco mortise/tenon jig	m/n 121012	\$30
Craftsman wet/dry vac	16 gallon	\$50-\$150 (new)
Handy gas caddy	m/n GC-30	\$600-\$1,000 (new)
Roto-Phase converter	m/n C-CNC5	\$900-\$1,000
Snapper snow blower	m/n 4220	\$50-\$100
Continental radial engine	m/n W670	s/n 45-670
Continental radial engine	m/n W670	s/n 45-742
unfinished home-built aircraft project		Starduster
unfinished home-built aircraft project		Little Toot

The above items are to be offered to the Chapter membership first, then to the general public. All items are available for inspection (in hangar 3J) and any member interested in an item should contact John McPeak (jdmcpeak@modernmetalcraft.com; (989) 835-3716) for access to the hangar and/or to make an offer.

EAA 1093

Pancake Breakfast

Saturday May 7 2022 7am - 11am

The Experimental Aircraft Association Chapter 1093 invites you to drive or fly in to the Midland Jack Barstow Airport for a morning of aviation and a delicious breakfast!

Come see the aircraft on display while you enjoy all-you-can-eat pancakes, sausage, eggs, and our famous homemade doughnuts.

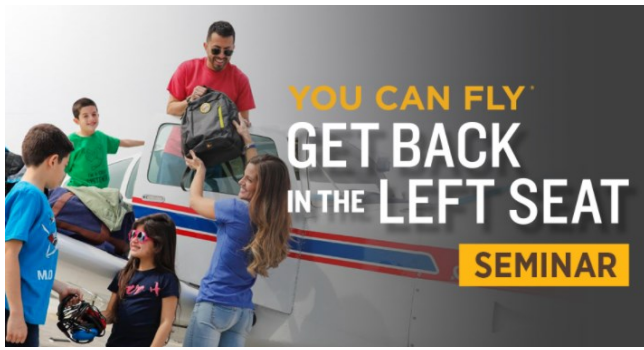

Kids will enjoy pedal airplanes as well as activities at the kids' table.

Adults: \$7

Kids (3-12): \$3

Proceeds from this breakfast will support EAA 1093 and their mission to share the spirit of aviation with the local community.

AOPA Rusty Pilots Seminar at Jack Barstow Airport (IKW)

**Saturday, May 21st
9:00 AM - 12:00 PM EDT
Midland, MI**

Instructed by AOPA Foundation Presenter Norm Isler.

Life may have gotten in the way, but the dream of flight can be yours again. Returning to the skies is not as difficult as most rusty pilots think. We're inviting you back in the cockpit and will help you get there. Come and participate in this Rusty Pilots program with fellow lapsed pilots.

We will help you understand what's changed in aviation since you last took the controls and brush up on your aviation knowledge. The Rusty Pilots program is developed by AOPA in partnership with local flight training providers in order to create the best environment for getting you back in the air and a part of the general aviation community.

- It is easier than most people think – no FAA check ride or test
- Might not even need a medical
- Plus, by attending, you'll be getting two to three hours of ground instruction towards your flight review!

Pre-registration is encouraged since seats fill up fast!

Prior to attending a Rusty Pilots seminar, please review and abide by current CDC, State, and Local health guidelines.

AOPA is proud to offer WINGS credit for attendees at this event! In order to receive credit, be sure to update the WINGS email address associated with your FAASafety.gov account during the registration process.

EAA 1093 Chapter Membership Meeting Notes

March 5, 2022

President Sarah Pagano called the meeting to order at 1009 EST.

President Pagano presented Chapter Service Awards to 2021 Officers.

Membership Chair Sarah Haskett presented gold 10 year membership badges to Marty Winslow and John McPeak.

Scholarship Committee Chair Jim Murphy presented an update on the current Ray Scholars. The Chapter has an opportunity to award another Ray Scholarship in 2022, Murphy requested that information re: a potential candidate be sent to him. For the Ray Scholarship, candidates do not apply, a Chapter member needs to nominate the potential candidate. Murphy also requested applications and references for potential Chapter scholarship candidates.

President Pagano presented information re: the donation of hangar 3J and contents to the Chapter and possible scenarios for the use/disposal of the donation.

Hangar is 40' x 50' (2,000 sq. ft.), full concrete floor, insulated, heated, ½ bathroom, 10' x 38' bifold door, small loft area. Cost of ownership is ~\$3,600/yr. utilities included, ~\$2,400/yr. utilities excluded.

Contents: 2 Continental W670 radial engines; Little Toot home-built project; Starduster home-built project; table saw; planer; snow blower; gas caddy; shop vacuum; miscellaneous shop tools.

Contents will be catalogued, valued, and offered for sale.

Hangar could be sold, rented, or used for Chapter activities.

A survey will be sent to all Chapter members soliciting input re: how best to use the donation. The Chapter Board will use the survey results to help decide how the donation will be used.

There were 22 attendees in the EAA classroom, 21 Chapter members plus 1 guest.

Meeting adjourned at 1045 EST.

Refreshments were provided for all attendees.

Respectfully submitted,

John McPeak

Secretary

3/5/2022

EAA 1093 Board Meeting Minutes

March 17, 2022

President Sarah Pagano called the meeting to order at 1708 EDT. The Board meeting was held in-person in the Annex and with Zoom.

Directors in attendance: Dave Fick, Kyle George, John McPeak, Chris Pagano, Sarah Pagano, Arian Perez, Brian Perry

Directors unable to attend: Jeff Gallant, Brandon Haskett, Sarah Haskett, Brandon Marks, Paul Ries, John Sorg

Guests: Tom Ryden, Dot Hornsby

Minutes from the February 17, 2022, Board meeting were approved (Fick/C. Pagano).

Treasurer's report: Treasurer Fick reported that \$2,245 was moved into the Chapter's scholarship account. Lease payments of \$6,609 are due in 2022.

MFCU checking account balances as of February 17, 2022:

Fancy Bird House LLC:	\$6,540.73
EAA Chapter 1093:	\$3,957.00
Clubhouse LLC:	\$ 573.00

Total in checking and savings accounts ~\$50,000

Membership Committee: S. Pagano reported that current membership is 109, five new members since 1/1/2022.

Hangar Committee: S. Pagano reported that Michigan Door will re-inspect EAA Annex door, and will provide a quote to repair the door to hangar 2A.

Young Eagles: No Young Eagles were flown on March due to marginal weather.

Scholarship Committee: Applications for Chapter scholarships are due by March 31 for review and approval in April (forms are online).

UNFINISHED BUSINESS:

RV-12 build project: S. Pagano reported that a 'crate date' has been received for the wings kit, between 5/20 and 6/17.

The fuselage kit has been ordered, delivery is expected in late 2022.

Great Lakes Bay Invitational fundraiser: Ryden reported that the application for the 2022 event has been made, successful applicants will be announced in May for July event.

EAA's Eagle Flights: S. Pagano reported that an Eagle Flights event (for Veterans) is being planned for fall, tentatively 10/1. Plans are being made for also providing a meal for the participants, plus a fund-raiser.

No Learn to Fly day(s) are planned for 2022 due to interference with the Rusty Pilots Seminar on 5/21 and the inclusion of the October Eagle Flights for Veterans in the Chapter's schedule of events.

Aviation Camp: S. Pagano reported that Aviation Camp 2022 registrations are being accepted for the June 13-17 Camp.

Rusty Pilot Seminar: AOPA will present a seminar on 5/21/22 in the Chapter's classroom, Chapter will have local CFIs available. Participants need to register online (<https://pic.aopa.org/events/item/52/3556>).

MPS 'Flight Night': Plymouth Elementary School is presenting an event for their third graders on 4/29. S. Pagano is still looking for pilot volunteers to 'man' educational stations from 5:30 – 7:30, also need pilots/planes to fly the pattern during the event and some aircraft to be parked on the apron; see Sarah Pagano to volunteer.

Hangar 3J donation: S. Pagano has appointed Dave Fick, Joe Maj, and John McPeak as a committee to catalog the contents of hangar 3J, determine a value for each item, and report to the Board re: possible avenues to sell the contents.

The results of a survey of the membership asking for input on renting/selling the hangar were discussed, the Board wants to know what the appraised value of the hangar is before continuing the discussion. S. Pagano will send a copy of the appraisal to the Board members.

Fly-Outs: S. Pagano is working on scheduling 'official' fly-outs on the Chapter's events schedule, more information will be included in Lookin' Up.

NEW BUSINESS:

May Pancake Breakfast: S. Pagano reported that Chapter will present an in-person pancake breakfast on Saturday, May 7, COVID conditions permitting. Plan 'B' will be a takeout breakfast similar to last May, if necessary.

Following discussion, the decision was to keep the fees at \$7 for an adult and \$3 for a child.

There is a need for volunteers experienced in the donut-making process: a training session will be held on Saturday, April 2, following the monthly membership meeting.

President Pagano adjourned the meeting at 1756 EDT.

Respectfully submitted,

John McPeak
Secretary
