Aviation College & Career Day: November 19 1-5

Santa Fly In: TBD

RV-12 Build Project

The RV Build is back underway!

Current build sessions are Wednesday nights at 6:00pm and Saturdays at 1:00pm in Joe Maj's hangar.

Please sign up at <https://www.signupgenius.com/go/10c0c45aca72da0f5ce9-rvbuild> for sessions.

September 7th

The Wednesday night regulars, minus Galen, attended. This was another session spent almost entirely on deburring the 56 rib segments that were previously modified for specific wing stations. This is probably the most tedious deburring task in the entire project due to the volume and complexity of the edge volume. To take a break near the end of the session some minor assembly of detailed parts was completed. The team is making great progress in interpreting the plans with little or no help.

September 14th

The Wednesday night crew met again this evening. We were glad to welcome our additional mentor, Dr. Brian Perry, along with Dave Schmelzer. John Mcpeake, Galen Sape, and Tom Tolton rounded out the crew. After nearly two sessions spent deburring and prepping the main ribs the crew was glad to be able to assemble them to both main wing spars. A fun night!

September 21st

The regular Wednesday night crew was in attendance in force tonight and clicking on all 4 (Rotax) cylinders. Mike Engseth, Tom Tolton, Chris Pagano, Galen Sape, and John McPeak. Dave Schmelzer and Sipp mentored. The wing rear spars were deburred and assembled and then fitted and riveted to the wing assemblies. The wings are taking shape nicely, feel free to come and visit.

September 28th

The ever-loyal Wednesday night crew was in force again this evening; Mike Engesath Tom Tolton, Chris Pagano, John D. McPeak, Sarah Haskett joined us later. The usual mentors included Dave Schmelzer and Dick Sipp. Joe Maj also joined us later in the evening as well to check on our progress. After mocking up the nose rib positions, all 28 were riveted in place. This nearly completes the wing framework.

Veterans Flights This Saturday!

In lieu of our membership meeting we will be hosting Veteran Flights Saturday October 1st 10:00am-2:00pm. We still need pilots to volunteer for this event! Please let Sarah Pagano know if you can fly.

Flying Trout Catering will be there too!

Flight Night

Once again Flight Night was a success! Over 103 students and their families from Woodcrest Elementary joined us on Thursday, September 22 for a night of aviation fun and education. A special thank you to EAA 1093 members Kyle George, Dot Hornsby, Dustin Jermalowicz, Dave Kasper, Ellen Kasper, Chris Pagano, Arian Perez, Brian Perry, and John Swantek for braving the first night of cool fall weather to share aviation with the youth of our community!

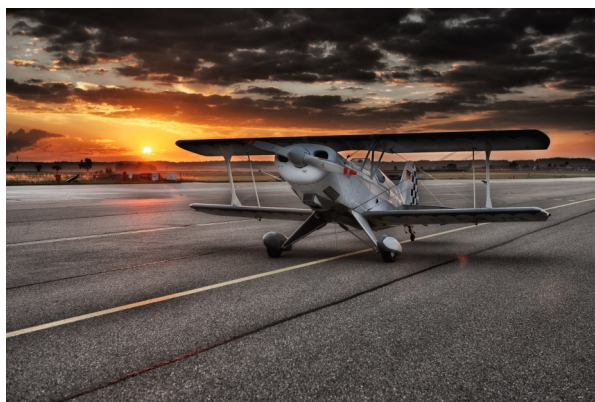

Touch & Glow 5K

Jack Barstow Airport has announced its first fundraiser: The Touch & Glow 5K Run/Walk on Friday, October 28, 2022. There will be a children's fun run at 6:00pm followed by the 5K race beginning at 7:00.

Similar to Props & Treats last year EAA 1093 would like to offer trick-or-treating among airplanes on the ramp between the races, beginning at 6:30. If you are interested in having your aircraft on the ramp and handing out candy please let Sarah Pagano know at sarahkpagano@gmail.com. If you would like to donate a bag of candy for the event you may leave it in the kitchen of the Clubhouse.

To register for the race please visit <https://touchandglow5k.itsyourrace.com/event.aspx?id=15433>.

2023 Board Positions

It's that time of year again, where we begin to look toward 2023 and who will serve Chapter 1093 as Officers of the Board. If you are looking for a way to become more involved with your chapter, please consider running for a position on the board. The following Board positions do not currently have a candidate for 2023:

Membership Chair

Newsletter Editor

Building Manager

While these are the positions that are currently open, you may run for any board position: President, Vice President, Secretary, Treasurer, Young Eagles Coordinator, Membership Chair, Newsletter Editor, Publicity Chair, Web Editor, Program Director, Building Coordinator, Technical Advisor and Flight Advisor. If you want to know more about a specific position, or wish to volunteer on the board please reach out to a member of the Nominating Committee: Sarah Pagano, Chris Pagano or Kyle George.

Pancake Breakfast!

Thank you to all of you that volunteered for the pancake breakfast! It was the best one yet!

Jack Barstow's son Jay and his sons Bob and Richard!

New Logo & Chapter Merchandise

We have not met our minimum order amount yet! There is a minimum quantity requirement, and we will require pre-payment for the items. If you are interested in ordering either of the following items, please contact Sarah at sarahkpagano@gmail.com now.
