There will be no regular meeting for Chapter 1098 this month. Gary spoke with the Gordon Cooper Vo-Tech folks. They indicated that no more than twenty people are allowed at a meeting. We will not be meeting until this changes.

If anybody has an idea for an alternative meeting location, let Gary know.

---

Thanks again to Greg and Dianne Chapman for hosting the June Chapter gathering and cookout! About thirty folks turned out for the event.

---

**Reminder from prior newsletters, in case you have not yet reviewed the bylaw changes:**

Whenever the next meeting happens, we will be voting on updated Chapter Bylaws, which haven't been addressed in years.

This was motivated by the EAA Bootcamp activity that Gary and company attended.

The updated bylaws are based on the EAA template found [HERE](#).

Thanks to our web site editor, David Best, for getting these on the Chapter web site. You can find the original and updated bylaw documents on the [Chapter web site](#), BYLAWS link on the left.

Please take time during quarantine to review the old versus new bylaws so that we can vote for approval at the next meeting, whenever that will be.

## **WANTED – NEWSLETTER EDITOR**

---

After three or so years of sending out newsletters every month, Doug is retiring. So, it's time for one of our Chapter members to step up and take over the 1098 newsletter.

Let Gary know if you are interested. Doug will work with the new Editor to ensure an easy transition.

The previous owner, a good friend, pampered this plane for 40 years. I purchased it from him with the intent to bring it up to perfect condition and sell it. It is a delight to fly. Straight and level with hands-off, it indicates 105 mph. Everything works. There has been no expense spared in preparing this gorgeous old bird for the next owner. It draws a crowd and wins trophies everywhere it goes. Contact me to receive a photo album.
