New Business

Dave Chapman

Doug Rundle volunteered for the nominating committee for elections in November.

Larry Hinton proposed with Doug and Clint for a Prague "rain or shine" Saturday Nov 14 fly-in.

Menu will be chili, beans and corn bread.

Action Items:

We need to come up with a flyer (Flyer has been done Larry H. did it I think I will forward a copy along with the newsletter)

We need to see if we can get the Prague city involved.

Because of the expected aircraft activity, we do not want to offer Young Eagle flights that day.

We want to have a swap-meet that day.

Rather than a fixed price for lunch, we will have a donation jar.

Clint will coordinate with Prague Chamber of Commerce.

Is there a possibility that we could get some of the Prague businesses to donate food items or prizes?

Again, somebody needs to write up a flyer. These can be posted at local airports.

We need to write up a piece that can be inserted into the Prague Paper to advertise the event.

The club will fund the event, and if there is a profit, it will be returned back into the treasury.

The date and time selected is Nov 14 from 10 till 2 with food at 12:00

We can get EAA insurance, but it requires that we be the sponsor of the event.

Clint stated that the fencing at the airport should be complete in two weeks, pending the delivery of the gates.

The question was asked if we want to invite anyone with a war bird or antique. After discussion, it was decided that we should start simple this year, and see how it goes. The committee (Larry, Doug and Clint), was authorized to get others involved others as necessary.

We will use time at the August meeting to nail down any loose ends.

Question was asked: do we want t-shirts or caps? Save answer as Warbirds, unless we find a vendor that wants to do them on site on demand.

Other Business:

This Friday, July 31, at Sundance will be a ribbon cutting for their enhancements to the airport. The ribbon cutting starts at 4:00, and after we will have Young Eagle flights. We need volunteers. See Pat Cohenour for additional information and coordination with Chapter 24

Instead of the September 27 meeting we will be at Guthrie Airport on September 26 for their open house. We will need ramp help, desk workers, and flyers for Young Eagles.

Oct 3 is the Flying M Ranch (AL32) Annual Fish Fry in Alabama. In the 15 years of holding this event, John Myers stated that they have only had 1 year with bad weather. This event is timed with the beginning of the leaves turning to their fall colors.

Oct 3 is the Shawnee Open House. It again falls on the same weekend as the Flying M Ranch event in Alabama. Shawnee wants us to fly Young Eagles, but we have no pilots. We will check with Chapter 24 to see if they can fill in.
