Program

Larry Eversmeyer's recap of his Oshkosh adventure 2 days in Oshkosh then on to Nova Scotia

Summer camp report by Chase Lewis

(Chase attended the Basic Air Camp on a Scholarship from Chapters 24 and 1098)

In case he got hungry, he packed 12 packet of Skittles, 6 packages of Star Burst, and a box of Cheez Its.

Upon arrival he received name tag. the building that they stayed in was two stories plus a basement.

The basement contained the game rooms.

1 floor contained the boys residents, the other the girl residents.

Each day started with beds needing to be made by 7:50, followed by breakfast at 8:00.

All of the campers were broken into three groups Alpha, Bravo, and Charlie

The Alpha group was the smallest.

Morning activity was in the classroom

then lunch

in the afternoon was physical activities. One of the activities was the Rock Wall.

Chase received a certificate for most aggressive time.

Other activities were communications, gliders, unmanned aircraft, and compass hill.

They have one hour free time after meals.

Each of their rooms had 4 beds, two up two down.

If a camper got "Out of bounds" they were sent home

Motion was made to close meeting and seconded, and all approved.

EAA
THE SPIRIT OF AVIATION

FREE AIRPLANE RIDES! For kids 8-17 years through the EAA Young Eagles Program & EAA Chapters 24 and 1098

Many EAA and other aviation-minded folks volunteered at the AOPA Fly-In Sept. 7-9:

"Near-perfect weather conditions helped to draw just over 500 aircraft, and more than 7,500 people, to the University of Oklahoma Westheimer Airport in Norman on Saturday, Sept. 9, for the second of AOPA's four 2017 regional fly-ins. The airport held its eleventh annual Aviation Festival on Saturday morning, in conjunction with the fly-in. The Norman event sets a new record for the highest attendance of any AOPA Fly-In, although the Bremerton, Washington, Fly-In in August 2016 still holds the record for the most aircraft." - AOPA Web Site

Here are a few more pictures of the AOPA event:

EAA Chapters 24 and 1098 cosponsored the Breakfast with the Senator fly-in at Sundance Airport on Saturday, September 16:

Lots of folks showed up, weather was good, and a huge number of Young Eagles enjoyed flying with the Young Eagle pilot volunteers.

While at Sundance, I snuck down to the EAA 24 hangar to see how the donated Kitfox kit is progressing. The volunteer builders are making good progress:

DUES ARE DUE
