

EXPERIMENTAL AIRCRAFT ASSOCIATION

CHAPTER 1098

SHAWNEE, OKLAHOMA

The Shawnee, OK, EAA Chapter 1098 is an official chapter of the EAA, Wittman Airfield, Oshkosh, Wisconsin 54903-3089. Phone (414) 426-4800. Chapter 1098 was organized to promote aviation in the community, provide camaraderie, sharing of aeronautical knowledge and skills among those with interest in grassroots aviation and who share the objectives of the EAA. Chapter dues are \$20.00 per year, payable on January 1. Normally our meetings are held on the **fourth Sunday of the month at 2:30 PM in the Aviation Vo-Tech Building, Northeast corner of the Shawnee Airport, Shawnee, OK.** Time, date and place is subject to change. Please check your newsletter for current meeting information.

Chapter Website: EAA1098.org
 Facebook: EAA Chapter 1098

Newsletter information: EAA Chapter 1098 publishes the newsletter once a month. Its purpose is to inform.

Members are encouraged to submit aviation- and member-related information and suggestions to the newsletter editor.

The October Chapter 1098 meeting will be replaced by the Ford Tri-Motor event.

The Tri-Motor festivities commence on Thursday, October 25 (this week!), from 2 PM to 5 PM. The event will run from Thursday through Sunday. Hours for Friday, Saturday and Sunday will be from 9 AM to 5 PM.

VOLUNTEERS WILL BE NEEDED! If you can make it on one or more days, please come and help out. Lunch will be provided for folks assisting with the event.

Anyone who wants to volunteer to help with the Tri-Motor must watch this training video: [EAA Ford Tri-Motor Tour Stop Volunteer Training Video](#)

On Saturday morning, in addition to the Tri-Motor activity, there will be a pancake breakfast and Young Eagles flights. If you are coming to volunteer on that day, please arrive before 8 AM if possible.

Greg Chapman took to the skies in his RV-8A! Watch this:

And this:

Congratulations Greg and Dianne on a fantastic achievement!

David Ames is making great progress on his Rans S-19 Vanterra:

EAA VMC Club Question

This was intended for the regular October meeting. Since the Ford Tri-Motor activity will replace the standard meeting, we'll just put this here for you to ponder. We will likely discuss it during the November meeting.

What is the proper way to depart the traffic pattern? Can you depart straight out, or do you have to or can you turn? If you are turning, are you going to follow the traffic pattern (i.e., the crosswind leg)? When would you start your turn?

CLASSIFIEDS

If you know of a classified that is outdated, or want to submit a new one, please notify the newsletter guy.
