The June meeting for Chapter 1098 will be the burger cookout at Greg and Dianne's place at Twin Lakes. Be there Saturday, June 27, at 6:00 PM.

We'll eat and socialize on the back patio area to minimize any Coronavirus risks.

The address is: 14300 Chandelle Dr, Newalla, OK

Burgers and drinks will be provided. Please bring a side dish and/or dessert

Reminder from last month's newsletter, in case you have not yet reviewed the bylaw changes:

Whenever the next meeting happens, we will be voting on updated Chapter Bylaws, which haven't been addressed in years.

This was motivated by the EAA Bootcamp activity that Gary and company attended.

The updated bylaws are based on the EAA template found [HERE](#).

Thanks to our web site editor, David Best, for getting these on the Chapter web site. You can find the original and updated bylaw documents on the [Chapter web site](#), BYLAWS link on the left.

Please take time during quarantine to review the old versus new bylaws so that we can vote for approval at the next meeting, whenever that will be.

CONGRATULATIONS to David Ames (and Lola!) for the first flight of his [Rans S-19 Venterra!!!](#)

The previous owner, a good friend, pampered this plane for 40 years. I purchased it from him with the intent to bring it up to perfect condition and sell it. It is a delight to fly. Straight and level with hands-off, it indicates 105 mph. Everything works. There has been no expense spared in preparing this gorgeous old bird for the next owner. It draws a crowd and wins trophies everywhere it goes. Contact me to receive a photo album.
