NINETY NINES OKIE DERBY:

Ninety Nines Okie Derby was held August 14th. I was fortunate enough to get to fly with Teresa Camp in her Mooney, Sight Seein'. It was a great time for all. Definitely an opportunity to learn. This years course start and finish were at Sundance (KHSD) with checkpoints at Thomas (104), Vici (501), and Fairview (6K4). We didn't win overall but did manage to get the best estimated time. Winners are within seconds on time and tenths of a gallon on estimated fuel. I highly recommend anyone take advantage of this opportunity to challenge your flight planning proficiency and see how you compare to other pilot teams. The Ninety Nines provides a great event for pilots and is open to all. Keep your eyes open for next years event as it is a great time and entry fees go to a great cause. All proceeds benefit the "Wings of the Future" scholarship assisting women in realizing their dream to fly. Check out the Ninety Nines website at : <https://www.ninety-nines.org/> the local Oklahoma chapter can be found at : [Oklahoma99s](#) and the Okie derby can be found at:[Okie Derby](#)

Website of the Month: The National Aviation Hall Of Fame

The National Aviation Hall of Fame was founded in 1962 as an Ohio non-profit corporation in Dayton, Ohio, the home of the Wright Brothers and the “birthplace of aviation.” The National Aviation Hall of Fame is dedicated to honoring individuals who have uniquely contributed to America’s rich legacy of aviation achievement—achievement generated by American ingenuity and individual acts of great vision, persistence, skill and courage. Thomas P. Stafford Air and Space Museum Fly Out:

This fly out has been moved to October 30th. So in preparation for the October fly out meeting please take a look. Courtesy Cars are available to jump over to Lucille's Roadhouse Diner for lunch!

For the October fly out plan to be wheels on ground by 9:00. Tour of the museum will be around 9:30. Lunch TBD if interested. This is a great museum. If you can't fly it's not really that much of a drive and just off the highway (look for the F-4 Phantom). So Make some room in your schedule to make this event.

CONGRATULATIONS TO JEFFREY ON HIS SOLO THIS MONTH!

Try Your Luck

Enjoy great flying in the local OKC area. Buy one or more hands (\$25 per hand or \$20 prepaid), and relish the adventure flying to 5 different airports to retrieve a mystery card for each hand. Participants can also just show up at the terminus airport to have cards dealt to them, but all those who buy a hand *and complete the course* will be awarded one extra hand. Everyone meets up at the final airport for their last card and the BIG REVEAL! Best hand wins the 50-50 cash pot! There will also be other fun prizes for the next best hands. Date and specific airports to be announced. We anticipate holding the poker run in early fall.
