## What's going on?

Our flying club has another solo student! Aubree McGiffen soloed on June 23rd in the Jabiru. This 17 year old got a bit sidelined with the quarantine, but as soon as we could get back in the air she was ready to pick up where she left off. Ed has soloed 4 students!

Our meeting on June 16th turned into a mini fly-in and cookout. It was a great night for flying and we hope to have more

meetings like this! Our next scheduled meeting is July 21st at the hangar. Until next time, fly safe!
