Mid-American Pilots Association

What's going on?

Our flying club has yet another solo student! Cameron Couch soloed on Thanksgiving Day in the

Jabiru! Since that time he has taken the written and is very close to finishing up his Private Pilot's License.

Josh Magruder, the first club member to get his PPL, got his Instrument Rating in January. He is also closing in on the requirements for Commercial License.

The Jabiru is officially SOLD! We are actively looking and have a couple of options in line to better fit our members' needs. Stay tuned for updates on the next aircraft.

Our next FLY-IN is scheduled for April 10th! It will be a breakfast fly-in, starting at 7am CENTRAL time and running until 11am CENTRAL time. We will have our famous omelet bar, loads of coffee, pancakes, eggs, and more! We hope to see you there, spread the word!
