EAA Mission Statement: "To grow participation in aviation by promoting the 'Spirit of Aviation.'"

Greetings EAA Ernie Hall 117 Gang,

Let's start with welcoming our newest members to our aviation family, Allan Parkhurst and Danette "Maverick" Palmer. Whenever you see a new face in our crowd, please stop and introduce yourself to them. There are no strangers, just friends we haven't met yet.

We finished up with our YE build at PIA last month. We had 10 kids. Thank you to all who made the build a special time for the kids to learn about aviation.

Thank you to last month's speakers, Matt Tomscheck and Arnie Wolf, for spending time with our chapter and giving us WINGS credit for your presentation. This month's speaker is Josh Prest, executive director of EOMAC (Eastern Ohio Military Affairs Commission).

Our get-together is this Tuesday, March 18, at the hangar at Griffin-Sloas Airfield. Light supper and fellowship start at 6:30pm. Bring a friend who might enjoy a night out with our EAA folks. Relax for an hour or two, enjoy a light supper and wonderful conversation with each other.

See ya there,

Anthony DeGaten
