May 18th, 2020 Meeting Minutes

Call to Order: After some good pizza provided by our host Eddie Buck the meeting was called to order by John Carnett.

Treasurers Report:

Eddie Buck (via Phyllis) reported our start / end balance of \$1,735.65 / \$1,935.65 respectively. Our expenses since our last meeting were \$0 and dues paid of \$200.00.

Items of Interest:

- 1.) Pizza was provided by Eddie Buck
- 2.) With the recent passing of our chapter president John Schoon we needed to elect a new chapter president, Charley Spence nominated John Carnett to be the new chapter president. A call for volunteers was asked for. A vote was taken, and John Carnett was elected the new chapter president.
- 3.) There was a suggestion for a memorial for John Schoon. Phyllis will discuss with John's wife Christina and report back at next meeting.
- 4.) With the hangar rent going from \$50/month to \$160/month it was proposed that the chapter sell the Avid Flyer project and give up the hangar. A vote was taken, and the proposal was approved. We will take pictures, look for comps online and advertise the Avid Flyer for sale.
- 5.) We had discussions regarding building membership including fly ins, pancake breakfast, local advertising, etc. The events committee will work on proposed events. Updates forthcoming.

EVENTS UPDATE

Coming Soon

WAZZUP – What our members have been up to!

Members Eddie Buck, John Carnett, Heath Glen and his son Garret flew to Gaston's White River Resort (www.gastons.com) near Lakeview, AR for some fishing and back country flying. Here are a few pictures to share.

Lined up at Gaston's Resort Airstrip

Bull Shoals Lake

Beautiful day to fly

We took some time off flying to fish. Heath got the big one.

Trigger Gap Airport

Arkansas has a lot of back country grass strips ranging in length from 600' to 2,000' or more. Some of the ones we landed at were Pine Mountain (6AR9), Trigger Gap (17A), Ashmore (no ID), Banks Ranch (62AR), Price Coffee (58AR), Ponca Int (37AR), Byrd's (51AR)

Banks Ranch (4 strips 600' to 1,500')

Eddie's New Buddy

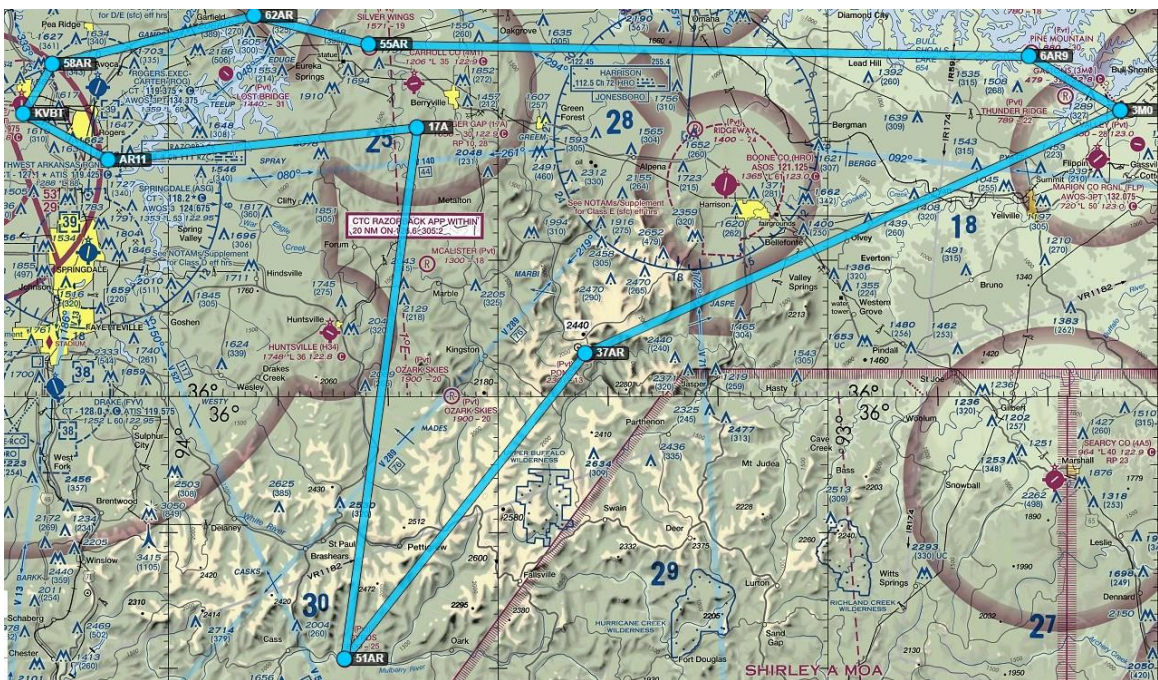

Ashmore (1,000' strip)

Lance is always a great host and meets us with snacks and drinks. Great landing strip right on Beaver Lake.

Lance Ashmore

What are “Young Eagles® Flights”?

Launched in 1992, the Young Eagles program has dedicated more than 25 years to giving youth ages 8–17 their first free ride in an airplane.

It’s the only program of its kind, with the sole mission to introduce and inspire kids in the world of aviation.

Today, more than 2 million young people have enjoyed a free introductory flight through the Young Eagles program. These flights are made possible through the generosity of EAA member volunteers like yourself.

We will plan to hold 2-3 Young Eagle Rallies per year. Past rallies typically had 20-30 kids we would fly. To do this we need volunteers including pilots and ground coordinators.

What are “Eagle® Flights”?

EAA’s Eagle Flights® is a free introductory flight experience and informal mentoring program designed to welcome and encourage adults who want to discover flying, but don’t know how or where to take that first step. It begins with a hands-on introduction, where you’ll fly with a local EAA-member pilot who will let you follow along at the controls of the airplane to get a feel for what being a pilot is all about.

After the flight, he or she can help you learn more about how to get involved in your local aviation community, including the next steps you can take on the path to becoming a pilot.

The best part? The whole experience is free. No sales. No pressure. Just a whole lot of fun and education with a big take-home point: Your dream of flying is a lot closer than you think.

Do you know someone that dreams of getting their pilot license but needs a little push to get going? Let us know and one of our chapter pilots can provide an introductory flight and guidance to get started.

CLASSIFIED ADS

Ads are free to any EAA member. They will run for 6 months, or until you pull them out of classified. Text or Email to johncarnett@gmail.com

For Sale – Avid Flyer project with new 85HP Hummel engine. Asking \$8,500. Airframe complete and covered. Folding wings. Cowling included. Build manuals, pictures, several small parts included. Proceeds go to EAA Chapter 123.
