We saw over 90 members at the January 8th meeting. Chapter Member, Steve Roth, was our special guest speaker. He talked about his experiences in the CIA - particularly when he was stationed in the Soviet Union. These are stories movies are made of...

In addition to thanking our chapter volunteers, we spotlighted our Friends of the Chapter and their contributions to our special events: Brad Winkler & Battery Boys, Bob & Maria Tracy of Heather Oaks Farm, Jeff Meyer of Signature Homes, Judie Betz of Aviation Realty, & Bob Rolfe of LifeStyle Reflections

After the Chapter meeting, there will be a Fly Out for lunch at Elevation 89 at Ocala Airport. This is weather permitting and if we have enough airplanes going to lunch to accommodate those who'd like a ride. Details in a future email.

Membership Update 2020-2022

What pandemic?...says no one, BUT Chapter 1236 membership increased in spite of 2020 and 2021 conditions. The Chapter had only a few meetings in 2020 and then resumed later in 2021...including a mini Fly-In to take the place of the canceled one in 2020. After vaccinations were in full swing, the Chapter resumed regular meetings with caution...members were anxious to get back to the new “normal”.

New memberships increased in 2020 and then doubled in 2021. 2022 could be another banner year welcoming new members.

2020 - 20 new members

2021 - 42 new members

2022 - January: 5 new members - Terry & Tish Ebling, Tim & Terri Berthiaume, David Daoust
