March Mtg's Pancake Breakfast a Flippin' Success...

Unbelievably, about 80 Chapter members and several guests attended March 12th's Pancake breakfast - even under the threat of a Tornado Watch. Armed with weather reports and foresight, local volunteers set up the hangar the day before with tables and chairs while Chef Putnam fired up the grill for Practice Pancakes for the helpers.

To the tunes of howling winds and pelting rain against the hangar door, our Pancake Making Meister, Pete Putnam, assisted by John Stahr, made sure everyone had their fill of flapjacks while Roberta Ricketts and Julie Dane made sure the pancake batter never ran out. Sausage Girl, Dara Oliver, carefully doled out the coveted Sausage Patties.

Tricia Angell & Bruce
Cynamon present \$5000
check to Lakeland
AeroClub

Donation Presented to Lakeland AeroClub

Lakeland Aero Club is a non profit organization that provides the opportunity for High School/College age students (14-24 yrs) to learn how to fly and/or how to restore/build airplanes.

Six such students shared their experiences with the Club and their personal aviation goals. The \$5000 donation will go a long way to help many young adults get their pilot's license and/or their mechanic certification.

The student Club President who accepted the donation on behalf of the AeroClub indicated that he is hoping to go to the Naval Academy and then fly for the Navy.

Chapter 1236 has now given three organizations donations this year. Each one reaches many young students in their quest for a career in aviation.

John Carlile leads the March meeting that followed the Pancake Breakfast

What's Ahead in April?

With the Chapter Meeting cancelled in April, many members are heading for the Sun n Fun Aerospace Expo held in Lakeland April 5-10, 2022. For Schedule and Ticket info, refer to flysnf.org

A couple of snapshots from a
visit to Sun n Fun 2017

Pancake Chef Pete Putnam with his
Sous-Chef, John Stahr

Sausage Girl, Dara Oliver

Folks in line got fresh pancakes
right off the grill.

Ana Kircher collected \$5 per plate

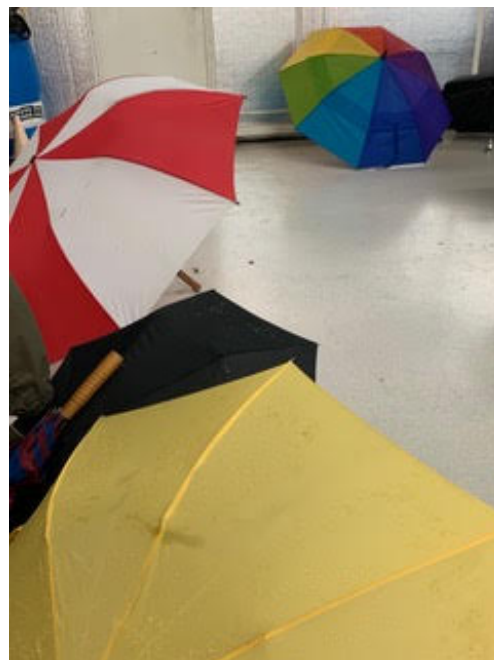

Roberta Ricketts & Julie Dane made sure the Pancake Chef had plenty of pancake batter...

Blueberry Pancakes were offered thanks to a blueberry donation from Kathy Hirtz.

Bruce Cynamon introduced the Lakeland AeroClub members. Normally they would have flown in, but instead they braved the weather and drove the nearly 2 hour trip to have pancakes with us and receive a donation.

Kudos to this active group of Chapter members who came to the March meeting in spite of the windy and rainy weather...
