APRIL 2022

eaasebring@gmail.com

APRIL EVENTS

JOIN US: For our Chapter Meeting on Thursday, March 31st, we will host our pitch-in dinner to share. Please join us, and bring a salad, side dish, or dessert to share. The Chapter will provide the main course. Or, if you wish, donate \$5.00 in lieu of bringing a food item. We will start serving at 6:00 pm, with our Chapter Meeting to follow. This is a great chance to meet some of our new members and enjoy spending some time together.

PANCAKE BREAKFAST &

YOUNG EAGLE FLIGHTS

Sat. April 2nd 8-10:30am.

We need volunteers with our growing
Crowds please see Rae Lampe.

VMC CLUB:

We thank Chapter member Sam Adams for leading this group. Please plan to join us after the regular Chapter meeting on Thursday, March 31st.

President's Comments:

We have had a very busy and constructive last few weeks! As we head into Spring, we look forward to more activities. None of the successes that have would have been possible without the support and help of our members. We sincerely thank you for your help

The Annual Dinner was a great success, with a very interesting speaker, Paul Dye, former NASA Flight Director, and publisher of Kit Plane magazine.

Dale

VOLUNTEERS

We have several volunteer opportunities to support the Chapter.

Pancake Breakfasts and Young Eagle Flights Contact Rae Lampe

Pancake Breakfast Procurement – Assist in managing the inventory of food and supplies for our Pancake Breakfasts. Assist in ordering / purchasing for needed supplies from local merchants, distributors and online sources. Contact Dale

Annual Dinner featuring Paul Dye Highlights on page 2

EAA Chapter 1240 Annual Dinner Launch Date is Set

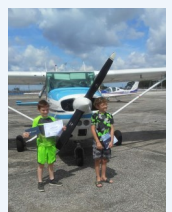

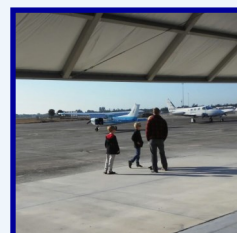

Saturday evening, March 26th, 2022, 6 PM at the EAA Chapter 1240 Aviation Development Center.

We flew 12 Young Eagles in January.

We flew 7 Young Eagles in February

No flights for March due to weather.

VMC CLUB: We thank Chapter member Sam Adams for leading this group. Please plan to join us after the regular Chapter meeting on Thursday, March 31st.

WHAT: You're invited to our VMC Club Meeting as we join in an organized hangar flying discussion around various flying scenarios. Join us to find out what it's all about and improve your piloting skills while learning from the experiences of others. The scenario this month is "Anti-Authority". Join us to find out what it is about and improve your piloting skills while learning from the experiences of others. **WHERE:** Sebring Regional Airport - EAA Chapter 1240, Gate 24 197 Challenger Drive Sebring, FL 33870 **CONTACT US:** Sam Adams, VMC Coordinator 260-668-8538 or adamssmm@aol.com

BREAKFAST UPDATE

We have experienced growth each and every month so far this year. So much so **we need more volunteers** to assist with: serving, cooking, table clean up, and Young Eagle Flights.

If you would be willing to help please email us at: eaasebring@gmail.com

TOTAL SERVED LAST MONTH: 188 - YTD 715

TOTAL MONEY RAISED LAST MONTH: \$ 1580

YTD: \$6246.00

* 2021 \$9630 *

NOTE NEW DATES FOR THE APRIL MEETINGS: We are moving the chapter meeting and Pancake Breakfast UP one week, so as not to conflict with Sun 'N Fun in Lakeland the following week. **Chapter Meeting**, Thursday March 31st- 6PM

APRIL 5-10

Pancake Breakfast / Young Eagle Flights, Sat. April 2nd 8-10:30am

2022 ANNUAL DUES: Dues for 2022 are now due and can be paid at any time. Dues are \$25 per year for an individual or \$30 for a family. Make your check to "EAA Chapter 1240", and mail to the address above, or see one of the Chapter officers at our events.

DID YOU KNOW?: EAA #1240 has a great library of aviation related books, DVDs, CDs and other items up the stairway in the hangar. These items can be checked out by simply signing them out. We ask that they be returned when finished.

IDEAS, SUGGESTIONS, and SUBMISSIONS: We will always welcome ideas, suggestions and submissions from our members for the monthly newsletter. The more, the better. Just let us know what you would like to see. You can email suggestions, and pictures to: eaasebring@gmail.com

EAA WEBINARS: EAA offers all aviation enthusiasts an opportunity to participate in the Webinar Series, presented by Aircraft Spruce. Attendance is limited, so preregistration is required. There are many webinars, both those presented live, and an extensive archive of past webinars. Many of the webinars provide Wings credits. register. **(Please Note: Times listed are Central Time; these will be 8:00pm if you are on Eastern Daylight Time.)**

To explore over 800 previous webinar topics available, go to: <https://www.eaa.org/Videos/Webinars>

4/06/22	7 p.m. CDT	Your Airplane's Report Card Qualifies for FAA	Mike Busch
---------	------------	---	------------

You can learn a lot about your aircraft and your aeronautical skills by having your digital engine monitor data analyzed to see how it compares with other aircraft of the same make and model. In this webinar, Mike Busch reviews the SavvyAnalysis Report Card and Trend Report for Jack's Cirrus SR22 to illustrate the guidance it gave Jack on how he can improve the perfor-

4/14/22	7 p.m. CDT	Young Eagles Build and Fly – EAA's	Serena Kamps
---------	------------	--	--------------

Join Chapter Field Representative Serena Kamps to learn more about EAA's Young Eagles Build and Fly program. This initiative provides chapters an easy way to engage with youths in their area by giving them the opportunity to learn the fundamentals of aircraft construction and flight while building and flying a radio-controlled aircraft. Designed to be completed with assistance from both the chapter and a local AMA Club. the chapter is provided all the materials

4/20/22	7 p.m. CDT	Controllability as Af-	Gordon Penner
---------	------------	--	---------------

Gordon Penner, master CFI-Aerobatics and FAA Gold Seal instructor, presents a simple and practical description of how critical flying within weight and center of gravity (CG) range is to controllability of the airplane. He will provide examples of how being out of CG range can put your

4/27/22	7 p.m. CDT	Bad News Is Good News: Avoiding Most Accident Scenarios	Tom Turner
---------	------------	---	------------

Having actively tracked and studied general aviation accidents for over 30 years, the bad news is that we keep doing the same things that lead to aircraft crashes. The good news is that, well, we keep doing the same things that lead to aircraft crashes. Why is bad news good news? Because most accidents are predictable, most accidents are preventable. In this presentation, Tom Turner from the American Bonanza Society Air Safety Foundation covers 14 lessons

ANNUAL DINNER The Annual Dinner was a huge Success and our special thanks to; John Rousch, Dr. Ron Owens, the Lockwoods, and volunteers
