

E.A.A. Chapter 1265, Inc.
Agenda of General Membership Meeting
May 21,2022
Collier Airpark Ray's Roost

The meeting was called to order by President Joe Hopwood at 9:30 AM. Reading of the April meeting minutes were read, Roger Barnhill put forward motion to approve and Lewis Gaston seconded it and they were approved.

8 members were present
2 guests attended

Treasurer's Report:

Roger Barnhill gave Treasurer's Report.
Jon Gray donated snacks for Young Eagle Event. We have a couple of bills to send to Seale Williamson for his signature on checks. Seale is a little under the weather at this time. Joe was concerned and suggested lunch and talk with Seale.

Bank statement dated 4-30-2022 has balance	6,914.46
Petty Cash has balance	62.50
Total Balance	\$6,976.96

Guests

Kevin Williamson
Jack Williamson - Young Eagle Flyer

Father and Son attended meeting and joined Chapter 1265.

Old Business

Eagle Rally today is not happening.
11 people expressed interest, but no one went to event web site to sign up.

Only less than half of Young Eagles who signed up came to event. Possibly the weather that day caused people to not show up.

Project 601 Report

Joe has placed all the supplies for the 601 at Rays Roost. We need to review the builders guide and check on work completed. The previous owner, Terry Dowell, was an engineer and was very oriented in his actions.

Joe asked for a member to coordinate and run project. Roger mentioned Bob Irwin would be suitable candidate for project coordinator. Bob has covid and was not at meeting.

Joe can assist after 9:30 most mornings.

Today Joe asked for volunteers to help after meeting with inventory.

Coordinator should set up schedule for project.

We need at least 2 members during project work.

Inventory sheet is on worktable, it is up to date.

Painter's tape was placed on bad rivets.

Project Report

Pat Langston is doing finishing work on an RV-8.

Safety Report

Chad was not present to give Safety Report.

Next Meeting June 18 at Rays Roost.

Meeting concluded at 10:04

Multiple members stayed to assist with 601 Project.

Joel A. Schambeau
Secretary EAA Chapter 1265
