Thanks to the Chapter 1314 volunteers:

Dan "Garage Mahal" Fox

"Tesla" Bruce Norlund

Jim "Sherpa" Nortz

Dave "Brownie-man" Wallace

"Triumph" Burton Bruce (great to see you in person)

Jeff "The Chef" Martin

"Pilot" Beth Heckman (aka my wife)

...and of course, Warren "Red-man" Hurd (formerly "President for Life", now "Treasurer for Life")

Special thanks

Chris Chesney/Peter and Kat (and Finn) Temple for use of their hangar

Carl Wilson and the Bearhawk forum people for organizing the event.

Bearhawk Retrospective

- ▶ <https://chapters.eaa.org/ea1314/chapter-events/bearhawk-gathering-2021>

What worked?

- Communications and notification to the Bearhawk community
- Hangar provided by Peter and Kat
- Food donations and preparation
- Airplane Parking

What didn't work?

- Visitors coming to the site by car had trouble contacting us and getting escorted.

What can we do better?

- Get at least one more golf cart to move people and things to/from T-hangar area

Chapter Business

Announcements and Solicitations

- ▶ National Aerobatics Day - June 26
- ▶ The EAA International Aerobatics Club division is holding a National Aerobatics Day on June 26. Nashua's IAC Chapter 35 is inviting all interested pilots to attend an event in Concord, NH (KCON), 11 AM to 4 PM. It is of course weather-dependent, and we're still working to get the COVID-slowed FAA to issue an aerobatics box waiver, but we're hoping to have numerous members attend for a practice session in an aerobatic box over the airport, have their aircraft available to look at, talk aerobatics and airplanes, and free food!
- ▶ Check this link for last minute updates on weather and practice session status:
- ▶ <https://iac35.aerobaticsweb.org>
- ▶ Flying in, check NOTAMs! If our waiver is finalized, there will be modified operations at the airport during the event.
- ▶ <https://www.iac.org/event/2021-06-01-iac-35-celebrates-national-aerobatics-day>

Chapter Business Announcements and Solicitations

- ▶ Penny and Ray have moved to Florida
- ▶ Leeward Air Ranch, Ocala, FL
- ▶ Construction Details TBD (Penny to present in the future)
- ▶ Welcome to Visit!

"Once our house and hangar is complete, we will be happy to have people come visit and stay with us, but be aware of the airport rule about guests:

The Airport extend homeowners the privilege of inviting a guest to use the Airport to visit them as long as 1) the property owner is there when the guest is visiting 2) the guest is a temporary, short term guest, 3) the visits are only occasional and of a non-commercial nature, and 4) The guest is not flying on a student pilot certificate.

The full airport regulations, including the pattern, can be found here:

<https://leewardairranch.com/airport/regulations>"

Going to Oshkosh?

- ▶ Chapter Video Magazine
 - ▶ <http://eaa.brightcovegallery.com/chapters>
 - ▶ Chapter 1314 Keene, NH 1083 mi (941NM)
 - ▶ Chapter Sign Volunteer(s)?
- ▶ No video meeting in July.
 - ▶ Planning a hangar party -or- a cookout at a location TBD
- ▶ Discounts and Express Arrivals have been extended to June 30
- ▶ Lenny: July 24-Aug 1
- ▶ Rob and Kim Sackmann: July 24-Aug 1

That's all for tonight!
