EAA Chapter 1326

NEWSLETTER

Volume 17, Number 8

December 2021

Happy New Year everyone!

I hope that you

and yours had a wonderful Christmas too! My son, Bryan, came over for Christmas dinner this year. I

made a different kind, at least for us, dinner and honestly I would do it again. Did not spend a lot of time in the kitchen. Clean up was even easier! Did a Shrimp Boil for 4, so we could have left overs!

Also have other news to share, this will be my last issue. Randy Kelly will be taking over Newsletter Editor duties in January. It is time for me to do other things, I have shared with Mark and the others that I will be available to come and help them any Saturday morning when needed. AND I will come and be a patron! Jim and I joined the EAA chapter December 2007. I took over as editor in January, wanted to keep up my computer skills (hahaha!). The last couple of years the chapter was not able to host a breakfast, things are changing now - thank goodness - and feel that it is a good time for me to get involved more in some of my other interest.

I thought about what I wanted to do, and decided to go through all of the photos taken over the years and choose some of my favorites. But as I was doing so, it appears I starting choosing photos of people and the activities at different events held at SYI. It

gave me a chance to see just how supportive our area pilots have been to

Continued from page 1

our breakfast and SYI. I hope that you enjoy reminiscing along with me.

It has been a great ride, made a lot of great friends and I will miss seeing your smiling faces every month! When you fly by the house I expect to see a wing wave! Much love . . . Blue skies and tail winds . . .

Susie
