Presidential Ramblings August 2024

Greetings fellow EAAs

Last month our meeting was hosted by Ryan White at his airplane factory/residence. The afternoon began with lunch along with a short video presentation on the acquisition of his RV10. Ryan is doing a great job picking up the build from where the previous builder left off. Thanks Ryan for your hospitality. I think you can find a few helping hands if you need some help.

Our August meeting will be ONE WEEK EARLIER at Stewart's air strip, on the 3rd vs the normal meeting day the 10th

AUGUST MEETING

Saturday, August 3, 2024

5:00 pm till dark

Stewarts' Feld

Bondurant, Iowa

Roger and Janet Stewart are providing sweet corn, maid-rites, and roasted potatoes.

Bring a dessert item to share, and your own chair.

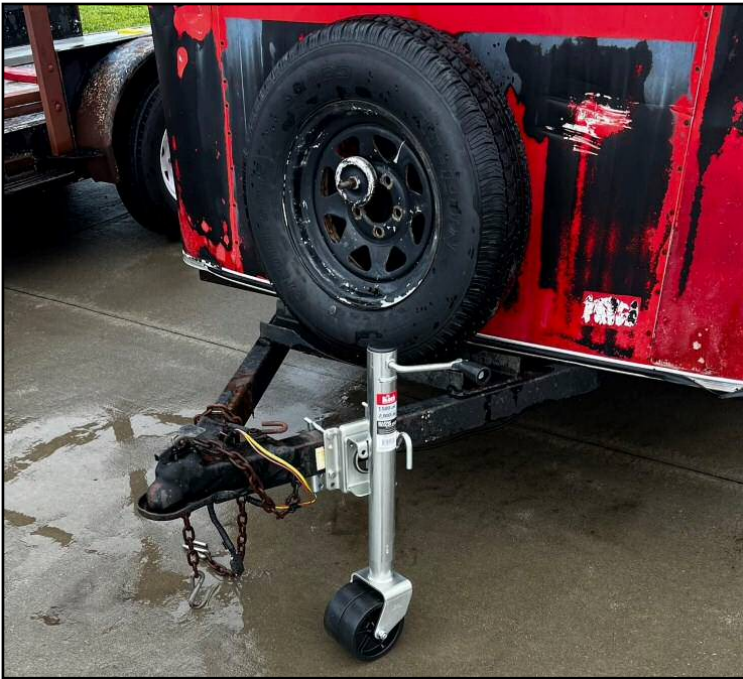

Roger stated "the sweet corn will be ready"

Please come, drive or fly, bring a dessert to share and your own chair.

I assisted Rick Ross and replaced the tongue jack on the red trailer. Good as new - we still need to follow up and replace the light plug (trailer to vehicle plug) as it has damage and its future looks grim when attempting to hook to a vehicle. In September the meeting will be at my hangar on Nashfield - plan to attend because I'm hoping to have a prop balancing demonstration from one of our fellow members.

That's it for this month. See you at Stewarts' airstrip on Saturday the 3rd for sweet corn. Till next time blue skies and tail winds AJ Can you identify this airstrip: hint a Chapter 135 member.

Blue skies and tailwinds'
AJ

Photos from the
July meeting at
Ryan White's
house

Thanks AJ

EAA Chapter 135 July Meeting

There were eleven members attending the meeting at Ryan White's house to see progress on his airplane build. There was no board meeting and a potluck was enjoyed by all. Thank you Ryan for your hospitality!

Ryan said
his dog
always
has its
tongue out.

Iowa DOT Aviation Calendar of Events

Answer to the puzzle question:
Dick Bascom's Elkhart airport

**Do you need a specialty tool and don't
have it, or it's too expensive
for a one-time use?
CHECK OUT THE CHAPTER 135 TOOL CRIB**

The Chapter is establishing a tool crib for those that are building or need a special tool for a specific job or project. If you have a tool you're not using and wish to share with fellow members just submit a photo so we can list it on our web page for the members to view. Next the member would contact you directly or through the Chapter web page, borrow and return when complete.

Current items available to members only:

Flatbed trailer 20 to 24 feet in length - Engine Hoist this is the crane style lift - Pneumatic squeezer - Scales are available to members & non members to rent.

EAA Chapter 135 is establishing a Tool Crib (network) to all members in good standing, with your Chapter 135 membership. If you are not, please go to the website and submit your dues to EAA Chapter 135. Once your dues are paid for the year, then you will be able to check-out items from the Tool Crib. Forms are available to track the tool so we can know who has it.
