President's Ramblings June 2020

Summertime is finally here which means it's time for the chapter's annual poker run. Here's the scoop - back in January or February the decision was made by the officers and board to select only grass strips for the poker run this year. See the flyer for all the details. Sunday July 12th 10:00-4:00 with rain date of the 19th. Then a cookout at KIKV A10 North Tees where an overall best poker hand will be decided. The route direction is your choice pickup a playing card at each stop. Look for an email with more info as the date gets closer. Airports are 6Z6 Nashfield - 39IA Husband Field - Eldora Airport - 8C2 Sully - Roger Stewart's airfield coordinates on the flyer. Hoping for good weather and even better turn out,

This will be that's time I will mention the Adirondack chair project we started in January. Now you're curious to know why? As a group we had the most difficult time trying to figure how to put our chapter logo on the individual chair. At last month's meeting the ideas flowed from one person to another and just like that we had it. The concept of a

data plate similar to what your airplane has come from one member (thanks Brant) even one the spouses got involved and suggested using longitude and latitude (Thanks Diane Rauh). All great ideas if I missed mentioning you or your idea here I apologize. Below is the end result of that conversation - thanks to everyone that contributed on this project. Now we just have to transport them to Oshkosh? Volunteers?

Also - welcome new members Todd Freeland, Todd owns a 182Q located at KIKV and Pat Stark resides in Pella but has a place in Ankeny too. Glad to have you aboard. Our chapter continues to see steady growth as past members are returning to this chapter too.

Life is what you make it - go fly

Till next time blue skies and tailwinds!

FROM JACOB GREENFIELD

I wanted to just share a couple pics if your wanting content for the newsletter.

I started in flying again after 8 years off. Working on completing my flight review. Flying with Dale Farnham out of Boone, KBNW. Going to get some pictures of me with the plane once I finish my flight review, but here are a couple of the Cherokee I'm renting there from my last couple of flights.

Side photo was 6/12. Front photo was 6/26.

Thanks,
