President's Ramblings July 2022

Greetings fellows EAAer's - we are halfway through this year - how's your self commitment to flying coming along? On track, behind or ahead? When we reach this point on the calendar fellow aviators are showing signs of excitement because AirVenture is getting close or in pilot language on the horizon.

Last month's meeting was in Dave Schuler's hangar. Stuart Rauh did a program with an overview on his and Diane's trip to the Black Hills in the 182. Looked like a great trip and the photos were priceless. The Black Hills is one of my favorite places having traveled there many both by vehicle and air. As you can see food from the grill

was tasty too as the membership dined on true epicurean delights. Food brings us together while friendship keeps us together as our founder stated many years ago!

July no business meeting. I'll actually be out of town on a much needed sabbatical.

As you know our July gathering is for fun and it's called the "Poker Run." This year's committee is Marc B. Paul R., and Quinn F. The most recent update from the committee regarding the poker run is: Eldora (27P), Grundy Center (6K7), Traer (8C6), Toledo (8C5), and Roger Stewart's Field. Look for a container with the cards. The Poker Run will go July 5th through Sunday July 10th when we'll gather at Dave Schuler's hanger in Ankeny at 6pm **Sunday (7/10) to open our envelopes to discover our winner along with an award for the winner. Plus bragging rights. Good Luck to all participants.**

As AirVenture approaches keep in mind your chapter (135) was selected to flip pancakes on July 23 the Saturday before the official opening of the show. This is a fundraiser for us as explained in previous newsletters. If you're in Oshkosh on Friday please consider joining the group in camp Scholer on Saturday morning to flip some cakes.

Lastly, as an incentive, how would you like to win a weekly wrist band for AirVenture 2022?

Everyone that shows up on the 23rd to flip cakes will have their name put in a hat and we'll draw out a winner. It could be you!
Till next time Blue skies and tailwinds
Cheers

JUNE MEETING MINUTES

Board meeting started at 5:07 PM

Old business:

Marc read the minutes from May, approved

Stuart gave the treasurer's report, approved

Please send any bills or receipts to Stuart's email, not to his text phone.

Sign for Oshkosh, presented and approved. Ralph is going to make some adhesive lettering.

Trailer, Some sealing needs done, otherwise it's great! Ralph will work on the sealing in June.

The trailer will need new tires sometime.

Eagle Flights: We want to try again. National doesn't advertise like we thought they would, so we need to make plans farther in advance. Discussion followed on how to promote the event.

Scholarship: Dave Schuler reported we have one application.

Tool Crib: We need to put more stuff in there

New Business:

Scales have been rented 4-5 times so far this year.

July meeting-Poker run. Second Sunday in July. Marc and Paul will organize this event.

August- hope to have a picnic at Roger and Janet Stewart's field.

September, gather at Nash Field

October, fly/drive to Mid-America Air Museum, Sioux City, Ryan Rosa organizing

Regular meeting, cookout in Dave Schuler's hangar, Stuart Rauh gave an excellent travelogue program on his trip to the Black Hills

Do you need a specialty tool and don't have it or it's too expensive for a one time use - check out Chapter 135 TOOL CRIB.

Establishing a tool crib for those that are building or need a special tool for a specific job or project.

If you have a tool you're not using and wish to share with fellow members just submit a photo so we can list it on our web page for the members to view. Next the member would contact you directly or through the chapter web page, borrow and return when complete. Current items available to members only:

- Flatbed trailer 20 to 24 feet in length
- Engine Hoist this is the crane style lift
- Pneumatic squeezer
- Set of scales are available to members & non members to rent.

EAA Chapter 135 is establishing a Tool Crib (network) to all members in good standing, which means you are in good standing with your Chapter 135 membership. If you are not, please go to the website and submit your dues to EAA Chapter 135. Once your dues are paid for the year, then you will be able to check-out items from the Tool Crib. Also, forms are available to track the tool loaned out so we can remember who has it.
